I. **Rights of Covered Persons**

The *Plan*, as defined in Section II. *Your Employer (Plan Administrator)*, includes one or more health *benefit* options, which may have different eligibility requirements and/or *benefits*. If a different *Summary Plan Description (SPD)*, *SPD* option, provision or amendment applies to certain *benefit* options or classifications of individuals eligible under the *Plan*, *you* will be furnished a copy of the *SPD*, *SPD* option, provision or amendment that is applicable to *you*. This *SPD* applies only to the \$3,000 Deductible HSA Medical Option and the eligible employees enrolled for participation in this option of the *Plan*.

As a participant in the *Plan*, *you* have certain rights and protections under the Employee Retirement Income Security Act of 1974 (*ERISA*), as amended.

ERISA provides that all *Plan* participants shall be entitled to:

Receive Information about this *Plan* and Its *Benefits*

- Examine, without charge, at the *Plan Administrator's* office and at other specified locations, such as work sites and union halls, all documents governing the *Plan*, including insurance contracts and collective bargaining agreements, and a copy of the latest annual report (Form 5500 Series) filed by the *Plan* with the U.S. Department of Labor and available at the Public Disclosure Room of the Employee Benefits Security Administration (EBSA).
- Obtain, upon written request to the *Plan Administrator*, copies of documents governing the operation of the *Plan*, including insurance contracts and collective bargaining agreements, and copies of the latest annual report (Form 5500 Series) and updated *Summary Plan Description*. The *Plan Administrator* may make a reasonable charge for the copies.
- Receive a summary of the *Plan* annual financial report. The *Plan Administrator* is required by law to furnish *you* with a copy of the summary.

Continue Group Health Plan Coverage

- Continue health care coverage for *yourself* and/or *covered dependents* if there is a loss of coverage under the *Plan* as a result of a qualifying event. *You* may have to pay for such coverage. Review this *Summary Plan Description* and the documents governing the Consolidated Omnibus Budget Reconciliation Act of 1985 (COBRA) continuation coverage rights.

Prudent Actions by Plan Fiduciaries

In addition to creating *your* rights, *ERISA* imposes duties upon the people who are responsible for the operation of the employee benefit plan. "Fiduciaries" of the *Plan* are the people who operate *your Plan* and have a duty to do so prudently, in *your* interest, in the interest of other *Plan* participants and *your* beneficiaries. No one, including *your* Employer, *your* union, or any other person, may fire *you* or otherwise discriminate against *you* in any way to prevent *you* from obtaining a *benefit* or exercising *your* rights under *ERISA*.

Enforce *Your* Rights

If *your claim* for *benefits* under the *Plan* is denied or ignored, in whole or in part, within certain time schedules *you* have a right to:

- Know why this was done;
- Obtain copies of documents relating to this decision without charge; and
- Appeal any denial.

Under *ERISA*, there are steps *you* can take to enforce the above rights. For instance, if *you* request a copy of *Plan* documents or the latest annual report from the *Plan* and do not receive them within 30 calendar days, *you* may file suit in a Federal court within two years of *your* request.

In such case, the court may require the *Plan Administrator* to provide the materials and pay *you* up to \$110 a day until *you* receive the materials, unless the materials were not sent because of reasons beyond the control of the administrator. If *you* have a *claim* for *benefits* under the *Plan* that is denied or ignored, in whole or in part, *you* may file suit in a state or Federal court, within two years of the *claim* denial, (if any), or if there is no *claim* denial within two years of the date of service. In addition, if *you* disagree with the *Plan Administrator's* decision or lack thereof

concerning the qualified status of a domestic relations order or a medical child support order, *you* may file suit in Federal court, within two years of the date of such order. If it should happen that *Plan* fiduciaries misuse the *Plan*'s money, or if *you* are discriminated against for asserting *your* rights, *you* may seek assistance from the U.S. Department of Labor, or *you* may file suit in Federal court, within two years of the date of such event. The court will decide who should pay court costs and legal fees. If *you* are successful, the court may order the person *you* have sued to pay costs and fees. If *you* lose, the court may order *you* to pay these costs and fees, for example, if it finds *your* claim frivolous.

Assistance with *Your* Questions

If *you* have any questions about *your Plan*, *you* should contact the *Plan Administrator*. If *you* have any questions about this statement or about *your* rights under *ERISA*, or if *you* need assistance in obtaining documents from the *Plan Administrator*, *you* should contact the nearest office of the Employee Benefits Security Administration (EBSA), U.S. Department of Labor, listed in *your* telephone directory or the Division of Technical Assistance and Inquiries, Employee Benefits Security Administration (EBSA), U.S. Department of Labor, 200 Constitution Avenue N.W., Washington, D.C., 20210. *You* may also obtain certain publications about *your* rights and responsibilities under *ERISA* by calling the publications hotline of the Employee Benefits Security Administration (EBSA).

II. *Your Employer (Plan Administrator)*

Your Employer, which also serves as the *Plan Sponsor* and the *Plan Administrator*, has established an Employee Benefit Plan (the *Plan*) to provide health care *benefits*. This *Plan* is “self-insured” which means that the *Plan Sponsor* pays the claims from its own assets for *covered services*. The \$3,000 Deductible HSA Medical Option of this *Plan* is described in this *Summary Plan Description (SPD)*, which is part of the official document of the *Plan*. *Your Employer* has contracted with *PreferredOne* to provide claim processing, prior authorization and other administrative services. However, *your Employer* is solely responsible for payment of *your* eligible claims.

The *Plan Administrator* in its sole discretion shall, to the fullest extent permitted by law, determine appropriate courses of action in light of the reason and purpose for which this *Plan* is established and maintained. The *Plan Administrator* has, to the fullest extent permitted by law, the exclusive and final discretionary authority to revise the method of accounting for the *Plan*, establish rules, and prescribe any forms required for administration of the *Plan*. All determinations and decisions made by or on behalf of the *Plan Administrator* will be final and binding on the *Plan*, all persons covered by the *Plan*, all persons or entities requesting payment or a *claim* for *benefits* under the *Plan* and all interested parties, to the fullest extent permitted by law. The *Plan Administrator* retains all fiduciary responsibilities with respect to the *Plan*, has the exclusive and final binding discretionary authority to interpret and administer the *Plan*, resolve any ambiguities that exist and make all factual determinations, to the fullest extent permitted by law, except to the extent the *Plan Administrator* has expressly delegated to other individuals or entities one or more fiduciary responsibilities with respect to the *Plan*.

The *Plan Sponsor*, by action of its governing body or an authorized officer or committee, reserves the right to change or terminate the *Plan*. This includes, but is not limited to, changes to *contributions*, *deductibles*, *coinsurance*, *out-of-pocket limits*, *benefits* payable and any other terms or conditions of the *Plan*. The decision to change the *Plan* may be due to changes in federal laws governing welfare benefits, or for any other reason. The *Plan* may be changed to transfer the *Plan's* liabilities to another plan or split this *Plan* into two or more parts.

The *Plan Administrator* has the power to delegate specific duties and responsibilities. Any reference in the *SPD* to the *Plan Administrator* is also a reference to its delegated designee. Any delegation by the *Plan Administrator* may allow further delegations by such individuals or entities to whom the delegation has been made. The *Plan Administrator* may rescind any delegation at any time. Each person or entity to whom a duty or responsibility has been delegated, shall be responsible for only those duties or responsibilities and shall not be responsible for any act or failure to act of any other individual or entity.

III. PreferredOne Administrative Services, Inc. (*PreferredOne*, TPA)

PreferredOne, as an external administrator referred to as a *third party administrator (TPA)*, provides certain administrative services, including claim processing services, subrogation, utilization management, and complaint resolution assistance.

IV. Introduction to *Your* Coverage

A. Summary Plan Description (SPD)

This *Summary Plan Description (SPD)* is *your* description of the \$3,000 Deductible HSA Medical Option of the *Plan Sponsor's Plan*. **Please read this entire SPD carefully. Many of its provisions are interrelated; so reading just one or two provisions may give you incomplete information regarding your rights and responsibilities under the Plan.** The *SPD* describes the *Plan's benefits* and limitations for *your* health care coverage. Included in this *SPD* is a *Benefit Schedule* that states the amount payable for the *covered services*. *Benefits* are not covered for excluded services and exclusions include, but are not limited to, *health care services* that are not *medically necessary* as determined by the *Plan Administrator*. Be sure to review the list of exclusions as well as the *Benefit Schedule*. A *provider* recommendation or performance of a service, even if it is the only service available for *your* particular condition, does not mean it is a *covered service*. *Benefits* are not available for *medically necessary* services, unless such services are also *covered services*. ***Benefits are limited to the most cost effective and medically necessary alternative.*** The *Plan Administrator* has, to the fullest extent permitted by law, the sole, final, and exclusive discretion to determine *benefits* available under the *Plan*.

Italicized words used in this *SPD* have special meanings and are defined at the back of this *SPD*. *You* should keep *your SPD* in a safe place for *your* future reference. Amendments that are included with this *SPD* or adopted by the *Plan Sponsor* are fully made a part of this *SPD*.

This *SPD* is intended to comply with the Employee Retirement Income Security Act of 1974 (*ERISA*), as amended. This *Plan* is maintained exclusively for *you*. *Your* rights under the *Plan* are legally enforceable.

B. Administrative Services Agreement

The signed Health Services Network Access and Administration Agreement between *your* Employer and the *TPA* constitutes the entire agreement between *your* Employer and the *TPA*. A version of the Health Services Network Access and Administration Agreement is available for inspection from *your* Employer.

C. Identification Cards

The *TPA* issues an identification (ID) card containing important coverage information. Please verify the information on the ID card and notify Customer Service if there are errors. If any ID card information is incorrect, *claims* for *benefits* under the *Plan* or bills and/or invoices for *your* health care may be delayed or temporarily denied. *You* will be asked to present *your* ID card whenever *you* receive *health care services*.

D. Designated Website or *Provider* Directory

You may find *participating providers* on the designated website listed on the inside cover of this *SPD*. Coverage may vary according to *your provider* selection.

The list of *participating providers* frequently changes and the *TPA* does not guarantee that a listed *provider* is a *participating provider*. *You* may want to verify that the *provider* *you* choose is a *participating provider* by calling Customer Service at the telephone number listed on the inside cover of this *SPD*. *Provider* directories are available to *you* upon request.

E. For Non-Emergency Services Received in a *Participating Provider* Facility from a *Non-Participating Provider*

If a *participating provider* arranges and/or performs *health care services* for *you* at a *participating provider* facility, all related eligible non-facility charges from both *participating providers* and *non-participating providers*, will be covered at the *participating provider* level of *benefits* as shown in the "*Benefit Schedule*."

If a *non-participating provider* arranges or performs *health care services* for *you* at a *participating provider* facility, all related eligible non-facility charges from any *non-participating providers* will be covered at the *non-participating provider* level of *benefits* as described in the "*Benefit Schedule*." *You* will not be responsible for any charges that may exceed the *usual and customary amount*.

F. Case Management

In cases where *your* condition is expected to be or is of a serious nature, the *TPA* may arrange for review and/or case management services from a professional who understands both medical procedures and health care coverage under the *Plan*.

Under certain conditions, the *Plan Administrator* will consider other care, services, supplies, reimbursement of expenses, or payments of *your* serious *sickness* or *injury* that would not normally be covered or would only be partially covered. The *Plan Administrator* and *your physician* will determine whether any medical care, treatments, services, supplies, reimbursement of expenses or payments will be covered. Such care, treatment, services, supplies, reimbursable expenses, or payments provided will not be considered as setting any precedent or creating any future liability, with respect to *you*, or any other *covered person*.

G. Conflict with Existing Law

If any provision of this *SPD* conflicts with any applicable law, only that provision is hereby amended to conform to the minimum requirements of the law.

H. Privacy

This *Plan* is subject to the Health Insurance Portability and Accountability Act (“HIPAA”) Privacy Rule. In accordance with the HIPAA Privacy Rules, the *Plan* and the *TPA* acting on the *Plan’s* behalf, maintains, uses, or discloses *your* Protected Health Information for purposes such as claims processing, utilization review, quality assessment, case management and otherwise as necessary to administer the *Plan*. *You* can obtain a copy of the *Plan’s* Notice of Privacy Practices (which summarizes the *Plan’s* HIPAA Privacy Rule obligations, *your* HIPAA Privacy Rule rights and how the *Plan* may use or disclose health information protected by the HIPAA Privacy Rule) from the *Plan Administrator*.

I. Processing Delays, Fraud, Misrepresentation, Rescission and Right to Audit

If routine processing delays occur, those delays will not deprive *you* of coverage for which *you* are otherwise eligible, nor will they give *you* coverage under the *Plan* for which *you* are not eligible under the *Plan*. *You* will not be eligible for coverage beyond the scheduled termination of *your* coverage because of a failure to record or communicate the termination except where required by law. It is *your* responsibility to confirm the accuracy of statements made by the *Plan Administrator* or the *TPA*, in accordance with the terms of this *SPD* and other plan documents. *Your* coverage may not be retroactively terminated unless *you* request it or *you* (or someone acting on *your* behalf) falsifies information, submits fraudulent, altered or duplicate billings, allows another person not covered under the *Plan* to use *your* coverage, or performs an act or practice that constitutes fraud or intentional misrepresentation (including an omission) of material fact under the terms of the *Plan*. Notwithstanding, *you* may be terminated, including being retroactively terminated, due to *your* failure to timely pay *your* required *contributions*.

Determination of *your* coverage will be made at the time a *claim* is reviewed. In addition, the *Plan Administrator* may require *you* to furnish proof of *your* eligibility status and may, at reasonable times and upon reasonable notice, audit or have audited *your* records regarding eligibility, enrollment, termination, *contributions* and the coverage provided under the *Plan*. If the *Plan Administrator* determines that, after reasonable requests, *you* have failed to provide adequate records or sufficient proof of *your* eligibility status, the *Plan Administrator* may, in its sole discretion, rescind or terminate *your* coverage to the extent permitted by law.

J. Limited Access to Participating Providers

In the event that the *Plan Administrator* determines *you* are receiving *health care services*, including *prescription drugs*, in a quantity or manner that might be harmful to *your* health, the *Plan Administrator* will notify *you* that *your* access to *participating providers* is limited. *You* will have 30 calendar days in which to select one participating *physician*, *hospital* and pharmacy to coordinate *your* health care. If *you* do not select those *participating providers* within 31 calendar days, the *Plan Administrator* will choose for *you*.

Failure to receive *health care services* through *your* selected *participating providers* will result in denial of coverage. If *your* condition requires care or treatment from other *providers*, *you* must obtain a written referral from *your* selected participating *physician*.

K. Summary of Benefits and Coverage (SBC)

The SBC is an informational summary of *your benefits* and coverage under this *SPD*, including coverage examples, that is prepared in a uniform style. If there is a conflict between this *SPD* and the SBC, this *SPD* governs and the *TPA* will administer your coverage in accordance with this *SPD*.

L. Medical Equipment, Supplies and Prescription Drugs

Your coverage under this *SPD* does not guarantee that medical equipment, supplies or *prescription drugs* will continue to be covered, even if the equipment, supply or drug was covered previously in a *calendar year*.

M. Routine Patient Costs Associated with Clinical Trials

The *Plan* covers *routine patient costs* associated with a *clinical trial* and may not: 1) deny *your* participation in a *clinical trial*; 2) deny (or limit or impose additional conditions on) the coverage of *routine patient costs* for items and *health care services* furnished to *you* in connection with participation in the *clinical trial*; or 3) discriminate against *you* on the basis of *your* participation in a *clinical trial*.

If one or more *participating providers* are participating in a *clinical trial*, the *Plan* will cover *routine patient costs* only if *you* participate in the *clinical trial* through a *participating provider* if the *provider* will accept *you* in the *clinical trial*. This requirement is waived if the approved *clinical trial* is conducted outside the state in which *you* reside. However, the *Plan* will not cover *routine patient costs* if *you* are in a *clinical trial* with a *non-participating provider* and *you* do not have coverage for *non-participating provider benefits*.

N. Essential Health Benefits Benchmark

Employer acknowledges and agrees that, to the extent required by the *Affordable Care Act*, the *essential health benefits* of the Minnesota benchmark apply to the *Plan*.

V. Eligibility, Enrollment, and *Effective Date*

A. Eligibility

You are eligible to enroll for coverage if you are:

1. Classified by the *Plan Sponsor* as a full-time employee whose standard hours are a minimum of 30 hours per week.
2. An eligible dependent of the employee. An employee must enroll for coverage in order to enroll his/her dependents. If both parents are covered as employees, a child may be covered as a dependent of either parent, but not both.

Eligible dependents include a *covered employee's*:

1. Lawful spouse of the opposite sex whose marriage to the *covered employee* is valid under Minnesota state law and does not include a common law or same sex spouse regardless if recognized under Minnesota or other state or country law.
2. Children, from birth through age 25, including a:
 - a. Natural child;
 - b. Child who is legally adopted by or placed with *covered employee* for legal adoption from the earlier of the adoption date or the date of placement for adoption. Date of placement means the assumption and retention by a person of a legal obligation for total or partial support of a child in anticipation of adoption of the child. The child's placement with a person terminates upon the termination of the legal obligation of total or partial support;
 - c. Stepchild;
 - d. Child for whom *covered employee* is designated a foster parent by an authorized social services agency or by a court of law;
 - e. Grandchild;
 - f. Child for whom *covered employee* is the legal guardian appointed by a court of law;
 - g. Child covered under a valid Qualified Medical Child Support Order (QMCSO), as defined under section 609 of the Employee Retirement Income Security Act (*ERISA*) and its implementing regulations, which is enforceable against an eligible employee or a *covered employee*. An eligible employee or a *covered employee* may contact the *Plan Administrator* for free assistance in obtaining information regarding the procedures governing QMCSO determinations. The *Plan Administrator* is responsible for determining whether or not a medical child support order is a valid QMCSO.
3. Dependent children who are disabled. Application for extended coverage and proof of incapacity must be furnished to the *Plan Administrator* within 31 calendar days after the dependent child reaches age 26. The *Plan Administrator* may ask for an independent medical exam to determine the functional capacity of the dependent child. After this initial proof, the *Plan Administrator* may request proof again as needed. A dependent child may be eligible for coverage if coverage has not otherwise terminated under this *Plan* and if he/she meets all of the following criteria:
 - a. Became disabled before age 26;
 - b. Was a *covered dependent* under the *Plan* prior to reaching age 26;
 - c. Is incapable of self-sustaining employment, because of a *physical disability*, developmental mental disability, mental illness, or mental health disorder that is expected to be ongoing for a continuous period of at least two years from the date initial proof is supplied to the *Plan*;
 - d. Is dependent on *covered employee* for a majority of financial support and maintenance; and
 - e. Is unmarried.

B. Enrollment and *Effective Date*

New Enrollment. The eligible employee must make written application to enroll him/herself and any eligible dependents and pay any required *contribution*, within 31 calendar days of the date the employee first becomes eligible. Coverage will be effective on the first day of the month coinciding with or immediately following a 60-day *waiting period*.

Annual Enrollment. Subject to all eligibility and enrollment provisions, the employee may enroll him/herself; him/herself and his/her eligible dependents; or may add eligible dependents to his/her coverage during the Employer's annual enrollment period. Coverage will be effective on the date indicated during the annual enrollment.

Rehire: An eligible employee who was previously covered by this *Plan* and is rehired within 30 days following layoff or other termination shall be treated as a continuing employee with no break in coverage.

Special Enrollment Period for Employees and Dependents. If *you* are an eligible employee or an eligible dependent of an eligible employee but not enrolled for coverage under this *Plan*, *you* may enroll for coverage under the terms of this *Plan* if all of the following conditions are met:

1. *You* were covered under a group health plan, covered under the MinnesotaCare program as defined in Minnesota Statutes Chapter 256L, or had health insurance coverage at the time coverage was previously offered to the employee or dependent;
2. The eligible employee stated in writing at the time of initial eligibility that coverage under a group health plan, the MinnesotaCare program as defined in Minnesota Statutes Chapter 256L, or health insurance coverage was the reason for declining enrollment, but only if the Employer required a statement at such time and provided the employee with notice of the requirement and the consequences of such requirement at the time;
3. *Your* coverage described in paragraph 1 above was:
 - a. Terminated under a COBRA or state continuation provision and the coverage under such provision was exhausted; or
 - b. Terminated as a result of loss of eligibility for the coverage (including as a result of legal separation, divorce, death, termination of employment, or reduction in the number of hours of employment) or employer *contributions* toward such coverage were terminated; or
 - c. Terminated as a result of loss of eligibility for the MinnesotaCare program; and
4. The eligible employee requested such enrollment not later than 31 calendar days after the date of exhaustion of coverage described in paragraph 3.a above, or termination of coverage or employer *contributions* described in paragraph 3.b above, or not later than 60 calendar days after the date of loss of eligibility for the MinnesotaCare program described in paragraph 3.c above.

Coverage will be effective on the date of the event described in paragraph 3 above provided the *Plan* receives the application for coverage as required.

Special Enrollment Period for Covered Persons due to the Acquisition of New Dependents. New dependents may enroll if all the following conditions are met:

1. A group health plan makes coverage available to a dependent of an employee; and
2. The employee is eligible for coverage under this *Plan*; and
3. They become dependents of the employee through marriage, birth, adoption, placement for adoption, or legal guardianship. This *Plan* shall provide a dependent special enrollment period during which the person may be enrolled under this *Plan* as a dependent of the employee, and in the case of the birth, adoption, children placed for adoption, or the legal guardianship of a child, the employee may enroll and the spouse of the employee may be enrolled as a dependent of the employee if such spouse is otherwise eligible for coverage. The eligible employee, if not previously enrolled, is required to enroll when a dependent enrolls for coverage under this *Plan*. In the case of marriage, the employee, the spouse and any new dependents resulting from the marriage may be enrolled, if otherwise eligible for coverage; and
4. Application must be received within 31 calendar days of the date the employee first acquires the dependent and coverage will be effective on the date of the marriage, birth, adoption, placement for adoption, or legal guardianship as described in paragraph 3 above.

Note: Other dependents (such as siblings of a newborn child) are entitled to special enrollment rights upon the birth or adoption of a child.

Special Enrollment Period for Medicaid and Children’s Health Insurance Program (CHIP) Participants. If an eligible employee and/or his/her eligible dependents are covered under a state Medicaid Plan or a state CHIP (if applicable) and that coverage is terminated as a result of loss of eligibility, then such employee may request enrollment in the *Plan* on behalf of him/herself and/or eligible dependents. Such request shall be submitted to the *Plan* not later than 60 calendar days after the eligible employee’s and/or his/her dependent’s coverage ends under such state plans.

If an eligible employee and/or his/her eligible dependents become eligible for coverage under a state Medicaid Plan or a state CHIP (if applicable), and the employer has not opted out of the premium assistance subsidy offered by the state, then such employee may request enrollment in the *Plan* on behalf of him/herself and/or such eligible dependents. The eligible employee shall request such enrollment in the *Plan* no later than 60 calendar days after the date the employee and/or his/her eligible dependents are determined to be eligible for coverage under such state plans.

VI. *Benefit Schedule*

You are required to pay any deductible and coinsurance amount. Benefits listed in this Schedule are according to what the Plan pays. Benefits are limited to the most cost effective and medically necessary alternative. Any amount of coinsurance you must pay to the provider is based on 100% of eligible charges less the percentage covered by the Plan. Plan payment begins after you have satisfied any applicable deductibles and coinsurance.

Discounts negotiated by or on behalf of the TPA with providers may affect your coinsurance amount. This Plan may pay higher benefits if you choose a participating provider. If you use a non-participating provider, in addition to any deductibles and coinsurance, you pay all charges that exceed the usual and customary amount.

A. **Prior Authorization Recommendation**

Prior authorization of health care services does not guarantee either payment or the amount of payment. Eligibility for, and payment of, benefits are subject to all of the terms of the SPD. Please read the entire SPD to determine which other provisions may also affect benefits. The TPA's Utilization Management Department only certifies that the health care services are medically necessary.

Prior Authorization Recommendation: It is recommended that you or your provider request in advance that certain health care services be authorized as medically necessary in advance by the Plan Administrator. If you have questions about prior authorization, please contact Customer Service.

Prior authorization is recommended before the following medical services are received:

- All non-emergency inpatient admissions including skilled nursing facility, rehabilitation, hospital, etc.;
- Transplant services.
- Drugs or procedures that could be construed to be cosmetic;
- Durable medical equipment (DME) and prosthesis that may exceed \$5,000;
- Home health care;
- Hospice services;
- Non-emergency transportation;
- Outpatient surgeries;
- Physical therapy, occupational therapy, speech therapy and other therapies; and
- Pain therapy programs.

Certain prescription drugs require prior authorization before you can have your prescription filled at the pharmacy. These prescription drugs include, but are not limited to:

- Specialty drugs.

Should the state of Minnesota and/or the Minneapolis/St. Paul seven-county metropolitan area be declared subject to a pandemic alert, the Plan may suspend prior authorization requirements and other services as may be determined by the Plan Administrator.

Prior Authorization Procedure for Non-Acute Care Pre-Service Requests

Filing Procedure for Non-Acute Care Pre-Service Requests. To request prior authorization a phone call must be made to Customer Service at least seven business days before the date services are provided and all essential data elements must be supplied. An expedited review is available if your attending provider believes your medical condition warrants it. Please refer to the subsection below entitled "Essential Data Elements for Pre-Service Requests" for the list of essential data elements that are required to file a pre-service request. If you or your attending provider have not submitted the request in accordance with these filing procedures, including a failure to submit all essential data elements, your request will be treated as incorrectly filed, and you will be notified within five calendar days. Please note that the time periods for making a decision begin when Customer Service receives a prior authorization request submitted in accordance with the Plan's filing procedures.

If your attending provider requests prior authorization on your behalf, the provider will be treated as your authorized representative under the Plan for purposes of such request unless you provide the TPA with specific direction otherwise within three business days from the Plan Administrator's notification that an attending provider was acting as your authorized representative.

Initial Benefit Decision of Non-Acute Care Pre-Service Requests. *You* and *your* attending *provider* will be notified of the *TPA's* decision within 15 calendar days after receipt of a prior authorization request submitted in accordance with the *Plan's* filing procedures, provided the *TPA* has all necessary information needed to make a decision.

If the *TPA* does not have all information it needs to make a decision, then it may extend the time period for making the decision by 15 calendar days. The *TPA* will notify *you* of the extension within the initial 15-calendar day period. *You* will then have 45 calendar days, or longer time as granted to *you* in the extension notification, to provide the requested information. The *TPA* will notify *you* of its decision within 15 calendar days after the earlier of (i) the date on which the *TPA* receives the requested information and(ii) the end of the time period specified for *you* to provide the requested information. The time period for the decision may also be extended for 15 calendar days for circumstances beyond the *TPA's* control. If *you* do not provide the requested information within the time period specified, *your* request will be denied.

The decision may be communicated to *your* attending *provider* by telephone.

If *your* prior authorization request is denied, written notification will be provided to *you* and *your* attending *provider*. This notice will explain:

- Information sufficient to identify the *claim* involved and any information required by law;
- The reason for the denial;
- The part of the *Plan* on which it is based; and
- Any additional material or information needed to make the request acceptable and the reason it is necessary.

Expedited Prior Authorization Procedure for Acute Care Pre-Service Requests

Acute care services are services needed when a delay in treatment could seriously jeopardize *your* life or health or the ability to regain maximum function or, in the opinion of *your* attending *provider*, could cause severe pain. An expedited decision will be made for requests for services for which prior authorization is recommended if *your* attending *provider* believes *your* medical condition warrants acute care services.

Filing Procedure for Acute Care Pre-Service Requests. To request expedited prior authorization, a phone call must be made to Customer Service before the date services for which prior authorization is recommended are provided and all essential data elements must be supplied. Please refer to the subsection below entitled "Essential Data Elements for Pre-Service Requests" for the list of essential data elements that are required to file a pre-service request. If *you* or *your* attending *provider* have not submitted the request in accordance with these filing procedures, including a failure to submit all essential data elements, *your* request will be treated as incorrectly filed, and *you* will be notified within 24 hours. Please note that the time periods for making an expedited decision begin when Customer Service receives a prior authorization request submitted in accordance with the *Plan's* filing procedures.

If *your* attending *provider* requests prior authorization on *your* behalf, the *provider* will be treated as *your* authorized representative under the *Plan* for purposes of such request unless *you* provide the *TPA* with specific direction otherwise within three business days from the *Plan Administrator's* notification that an attending *provider* was acting as *your* authorized representative.

Expedited Decision of Acute Care Pre-Service Requests. An expedited decision will be provided by the *TPA* to *you* and *your* attending *provider* as quickly as *your* medical condition requires, but no later than 72 hours following receipt of a prior authorization request submitted in accordance with the *Plan's* filing procedures. If the *TPA* does not have all information it needs to make a decision, *you* will be notified within 24 hours. *You* will then have 48 hours, or longer time as granted to *you* in the notification, to provide the requested information. If *you* do not provide the requested information within the time period specified, *your* request will be denied. *You* will be notified of the decision within 48 hours after the earlier of the *TPA's* receipt of the requested information or the end of the time period specified for *you* to provide the requested information.

The decision may be communicated to *your* attending *provider* by telephone.

If *your* prior authorization request is denied, written notification will be provided to *you* and *your* attending *provider*. This notice will explain:

- Information sufficient to identify the request involved and any information required by law;
- The reason for the denial;
- The part of the *Plan* on which it is based; and
- Any additional material or information needed to make the request acceptable and the reason it is necessary.

Essential Data Elements for Pre-Service Requests (including Concurrent Care Requests)

You or *your* attending *provider* must submit at least the following essential data elements when calling Customer Service to request prior authorization (or requesting to obtain prior authorization to extend a previously prior authorized treatment):

- The identity of the *covered person* and *provider* of services;
- The date(s) of services;
- A specific medical diagnosis; and
- A specific treatment, *health care service*, or procedure code for which prior authorization approval (or extended prior authorization) is requested.

An explanation of these essential data elements will be provided to *you*, upon request and free of charge, by calling Customer Service. If *you* or *your* attending *provider* have not submitted the prior authorization (or extended prior authorization) request in accordance with the *Plan's* filing procedures for pre-service requests, including a failure to submit all essential data elements, *your* request will be treated as incorrectly filed and *you* will be notified within applicable timeframes.

Procedure for Concurrent Care Requests

Filing Procedure for Concurrent Care Requests. If an ongoing course of treatment was prior authorized by the *Plan Administrator* for a specified period of time or number of treatments and *you* or *your* attending *provider* request additional prior authorization to extend acute care services, *your* extension request must be submitted in accordance with the filing procedure for acute care pre-service requests, as described above. If an ongoing course of treatment was prior authorized by the *Plan Administrator* for a specified period of time or number of treatments and *you* or *your* attending *provider* request additional prior authorization to extend non-acute care services, *your* extension request and concurrent care *claim* must be submitted in accordance with the filing procedure for non-acute care pre-service requests, as described above. If *you* or *your* attending *provider* have not submitted the extension request in accordance with the *Plan's* filing procedures, including a failure to submit all essential data elements, *your* request will be treated as incorrectly filed and *you* will be notified within 24 hours in the case of a request to extend prior authorization for acute care services, and within five calendar days in the case of a request to extend prior authorization for non-acute care services. Please note that the time periods for making a decision begin when Customer Service receives a prior authorization request submitted in accordance with the *Plan's* filing procedures.

If *your* attending *provider* requests additional prior authorization for extended treatment on *your* behalf, the *provider* will be treated as *your* authorized representative under the *Plan* for purposes of such request unless *you* provide the *TPA* with specific direction otherwise within three business days from the *Plan Administrator's* notification that an attending *provider* was acting as *your* authorized representative.

Decision of Concurrent Claims. If an ongoing course of treatment was previously prior authorized for a specified period of time or number of treatments and *you* request additional prior authorization to extend acute care services, the *TPA* will make the decision on *your* request within 24 hours following receipt of a properly filed request, provided *your* request is made at least 24 hours before the end of the prior authorized treatment. If a properly filed request is not made at least 24 hours before the end of the prior authorized treatment, *your* request will be treated as a prior authorization request for acute care services and handled in accordance with the expedited prior authorization procedures outlined above for such services.

If an ongoing course of treatment was previously prior authorized for a specified period of time or number of treatments and *you* request additional prior authorization to extend non-acute care services, *your* request will be treated as a prior authorization request for non-acute care services and handled in accordance with the prior authorization procedures outlined above for such services.

The decision may be communicated to *your* attending *provider* by telephone.

If *your* concurrent care prior authorization request is denied, written notification will be provided to *you* and *your* attending *provider*. This notice will explain:

- Information sufficient to identify the request involved and any information required by law;
- The reason for the denial;
- The part of the *Plan* on which it is based; and
- Any additional material or information needed to make the request acceptable and the reason it is necessary.

B. Deductible and Out-of-Pocket Limit

NOTE: Your coverage is either “covered employee only” or “family.” Therefore, only one of the following sections (“Covered employee only” or “Family”) applies to you. If you have questions about which section applies to you, contact TPA or your employer.

Covered Employee Only

Deductible: The covered employee must first satisfy the deductible amount by incurring eligible charges equal to that amount in a calendar year before the Plan will pay benefits. Copies of bills for eligible charges used to satisfy the deductible must be submitted to the Plan. The Plan will not pay benefits for the eligible charges applied toward the deductible. Expenses you pay for any amount in excess of the usual and customary amount will not apply to the deductible.

Out-of-Pocket Limit: After the covered employee has met the out-of-pocket limit per calendar year for coinsurance and deductibles, the Plan covers the remaining eligible charges incurred. It is the covered employee’s responsibility to demonstrate to Plan the coinsurance and deductibles in excess of this amount have been paid in any calendar year, and to pay any amounts greater than the out-of-pocket limits if any benefit, day, or visit maximums are exceeded. Expenses paid for any amount in excess of the usual and customary amount will not apply towards satisfaction of the out-of-pocket limit.

Covered Employee Only	Participating Providers	Non-Participating Providers
Deductible	\$3,000 per calendar year for eligible charges from participating providers.	\$5,000 per calendar year for eligible charges from non-participating providers.
Out-of-Pocket Limit	\$3,000 per calendar year for eligible charges from participating providers.	\$10,000 per calendar year for eligible charges from non-participating providers.

Family (Covered Employee and Covered Dependents)

Family Deductible: The family must first satisfy the family deductible amount by incurring eligible charges equal to that amount in a calendar year before the Plan will pay benefits, or after any covered person of the family incurs \$3,000 in eligible charges in a calendar year the Plan will pay benefits for that covered person. Copies of bills for eligible charges used to satisfy the family deductible must be submitted to the Plan. The Plan will not pay benefits for the eligible charges applied toward the family deductible. Expenses you pay for any amount in excess of the usual and customary amount will not apply to the family deductible.

Family Out-of-Pocket Limit: After the family has met the family out-of-pocket limit per calendar year for coinsurance and family deductibles, the Plan covers the remaining eligible charges incurred. It is the family’s responsibility to demonstrate to the Plan the coinsurance and family deductibles in excess of this amount have been paid in any calendar year, and to pay any amounts greater than the family out-of-pocket limit if any benefit, day, or visit maximums are exceeded. Expenses paid for any amount in excess of the usual and customary amount will not apply towards satisfaction of the family out-of-pocket limit.

Family (Covered Employee and Covered Dependents)	Participating Providers	Non-Participating Providers
Family Deductible	\$6,000 (\$3,000 maximum per covered person) per calendar year for eligible charges from participating providers.	\$10,000 (\$5,000 maximum per covered person) per calendar year for eligible charges from non-participating providers.
Family Out-of-Pocket Limit	\$6,000 (\$3,000 maximum per covered person) per calendar year for eligible charges from participating providers.	\$20,000 (\$10,000 maximum per covered person) per calendar year for eligible charges from non-participating providers.

Benefits	Participating Provider Plan Payment	Non-Participating Provider Plan Payment Note: For <i>non-participating providers</i> , in addition to any <i>deductibles</i> and <i>coinsurance</i> , you pay all charges that exceed the <i>usual and customary amount</i> .

C. Ambulance Services

<ul style="list-style-type: none"> Ambulance services for an <i>emergency</i> 	100% of <i>eligible charges</i> after the <i>deductible</i> .	Same as the <i>Participating Provider Plan Payment</i> .
<ul style="list-style-type: none"> Non-<i>emergency</i> transportation 	100% of <i>eligible charges</i> after the <i>deductible</i> .	Same as the <i>Participating Provider Plan Payment</i> .

The *Plan* covers ambulance service to the nearest *hospital* or medical center where initial care can be rendered for a medical *emergency*. Air ambulance transport to the nearest *hospital* that is able to render *medically necessary* care, is covered only when the condition is an acute medical *emergency* and is authorized by a *physician*.

The *Plan* also covers *emergency* ambulance (air or ground) transfer from a *hospital* not able to render the *medically necessary* care to the nearest *hospital* or medical center able to render the *medically necessary* care only when the condition is a critical medical situation and is ordered by a *physician* and coordinated with a receiving *physician*.

Prior authorization is recommended for:

- Non-*emergency* ambulance service, from *hospital* to *hospital* when care for *your* condition is not available at the *hospital* where *you* were first admitted; and
- Non-*emergency* transfers by ambulance from a *hospital* to other facilities for subsequent covered care or from home to *physician* offices or other facilities for outpatient treatment procedures or tests when medical supervision is required en route.

Exclusions:

- Please see the section entitled “Exclusions.”
- Non-*emergency* ambulance service from *hospital* to *hospital* such as transfers and admission to *hospitals* performed only for convenience.

E. Dental Services

The *Plan Administrator* considers dental procedures to be services rendered by a *dentist* or dental *specialist* to treat the supporting soft tissue and bone structure.

See “Office Visits” and “Hospital Services.”

See “Office Visits” and “Hospital Services.”

Accidental Dental Services. Treatment and repair for services required due to an accidental *injury* must be started within 12 months and completed within 24 months of the date of the *injury*. The *Plan* covers services to treat and restore damage done to a sound, natural tooth as a result of an accidental *injury*. Coverage is for external trauma to the face and mouth only. A sound, natural tooth is a tooth, including supporting structures, that is healthy and would be able to continue functioning for at least one year. Primary (baby) teeth must have a life expectancy of one year before loss.

Medically Necessary Dental Services. The *Plan* covers dental services, limited to dental services required for treatment of an underlying medical condition, e.g. removal of teeth to complete radiation treatment for cancer of the jaw, cysts and lesions.

Medically Necessary Hospitalization for Dental Care. *Eligible charges* are those *incurred* by a *covered person* who: (1) is a child under age five; (2) is severely disabled; or (3) has a medical condition, unrelated to the dental procedure that requires hospitalization or anesthesia for dental treatment. Coverage is limited to facility and anesthesia charges. Oral surgeon/*dentist* or dental *specialist* professional fees are not covered for dental services provided. The following are examples, though not all-inclusive, of medical conditions that may require hospitalization for dental services: severe asthma, severe airway obstruction, or hemophilia. Care must be directed by a *physician, dentist, or dental specialist*.

Exclusions:

- Please see the section entitled “Exclusions.”
- Dental services covered under *your* dental plan.
- Preventive dental procedures.
- *Health care services* or dental services, orthodontia and all associated expenses, except as stated in this section.
- Surgical extraction of impacted wisdom teeth.
- *Health care services* or dental services for cracked or broken teeth that result from biting, chewing, disease, or decay.
- Dental implants.
- Prescriptions written by a *dentist* unless in connection with dental procedures covered under this *Plan*.
- *Health care services* or dental services related to periodontal disease.
- Occlusal adjustment or occlusal equilibration.
- Treatment of bruxism.

<ul style="list-style-type: none"> Hearing aids for <i>members</i> under age 19 for hearing loss that is not correctable by other covered procedures. Coverage limited to one hearing aid every three years. 	100% of <i>eligible charges</i> after the <i>deductible</i> .	55% of <i>eligible charges</i> after the <i>deductible</i> .

The *Plan* covers certain equipment and *health care services*, nutritional formulas and enteral feedings, which may include; amino-acid based formulas, other oral nutritional and electrolyte substances; and special dietary treatment for phenylketonuria (PKU); ordered or prescribed by a *physician* and provided by DME/prosthetic vendors. For verification of eligible equipment and supplies, call Customer Service. *Benefits* are limited to the most cost-effective and *medically necessary* alternative. *Plan* payment for rental shall not exceed the purchase price unless the *Plan* has determined that the item is appropriate for rental only. The *Plan Administrator* reserves the right to determine if an item will be approved for rental or purchase.

Exclusions:

- Please see the section entitled “Exclusions.”
- Any durable medical equipment or supplies not listed as eligible on the *Plan’s* durable medical list, or as determined by the *Plan Administrator*.
- Disposable supplies or non-durable supplies and appliances, including those associated with equipment determined not to be eligible for coverage.
- Durable equipment necessary for the operation of equipment determined not to be eligible for coverage.
- Revision of durable medical equipment and prosthetics, except when made necessary by normal wear or use.
- Replacement or repair of items when damaged or destroyed by misuse, abuse, or carelessness, lost, or stolen.
- Duplicate or similar items.
- Hearing aids, devices to improve hearing and related fittings or *health care services*, except as covered under this *SPD*.
- Communication aids or devices; equipment to create, replace or augment communication abilities including, but not limited to, speech processors, receivers, communication board, or computer or electronic assisted communication.

- Household equipment, household fixtures and modifications to the structure of the home, escalators or elevators, ramps, swimming pools, whirlpools, hot tubs and saunas, wiring, plumbing or charges for installation of equipment, exercise cycles, air purifiers, central or unit air conditioners, water purifiers, hypo-allergenic pillows, mattresses or waterbeds.
- Vehicle/car or van modifications including, but not limited to, handbrakes, hydraulic lifts and car carrier.
- Over-the-counter orthotics and appliances.
- Custom molded foot orthotics, unless *you* have diabetes or peripheral vascular disease.
- Other equipment and supplies, and oral nutritional and electrolyte substances that the *Plan Administrator* determines are not eligible for coverage.
- Charges for sales tax, mailing or delivery.
- Durable medical equipment, orthotics and prosthetics that are necessary for activities beyond activities of daily living (ADL's).
- Upgrades to or replacement of any items that are considered *eligible charges* and covered under this *SPD*, unless the item is no longer functional and is not repairable.
- Wigs for conditions other than alopecia areata.

Benefits	Participating Provider Plan Payment	Non-Participating Provider Plan Payment Note: For <i>non-participating providers</i> , in addition to any <i>deductibles</i> and <i>coinsurance</i> , you pay all charges that exceed the <i>usual and customary amount</i> .
-----------------	--	--

G. Emergency Room Services	100% of <i>eligible charges</i> after the <i>deductible</i> .	Same as the <i>Participating Provider Plan Payment</i> .
-----------------------------------	---	--

You should be prepared for the possibility of a medical *emergency* by knowing *your participating provider's* procedures for “on call” and after regular office hours before the need arises. Determine the telephone number to call, which *hospital your participating provider* uses and other information that will help *you* act quickly and correctly. Keep this information in an accessible location in case a medical *emergency* arises.

If *you* have an *emergency* that requires immediate treatment, call 911 or go to the nearest emergency facility. If possible under the circumstances, *you* should telephone *your physician* or the clinic where *you* normally receive care. A *physician* will advise *you* how, when and where to obtain the appropriate treatment.

Note: Non-*emergency* services received in an emergency room are not covered. If *you* choose to receive non-*emergency health care services* in an emergency room, *you* are solely responsible for the cost of these services. See *emergency* under “Definitions.”

Covered services are subject to all of the *benefit* limitations set forth in this *SPD*. *You* should provide notice to Customer Service of an admission to an inpatient facility within 48 hours or as soon as reasonably possible.

Exclusions:

- Please see the section entitled “Exclusions.”
- Non-*emergency* services received in an emergency room.

Benefits	Participating Provider Plan Payment	Non-Participating Provider Plan Payment Note: For <i>non-participating providers</i> , in addition to any <i>deductibles</i> and <i>coinsurance</i> , you pay all charges that exceed the <i>usual and customary amount</i> .

H. Home Health Services	100% of <i>eligible charges</i> after the <i>deductible</i> .	55% of <i>eligible charges</i> after the <i>deductible</i> .
<ul style="list-style-type: none"> Home health care as an alternative to facility or clinic based care 	100% of <i>eligible charges</i> after the <i>deductible</i> .	55% of <i>eligible charges</i> after the <i>deductible</i> .

The *Plan* covers skilled home health services that are directed by a *physician* and received from a licensed Home Health Care Agency. Services may include: *skilled care*; physical therapy; occupational therapy; speech therapy; respiratory therapy; home health care as an alternative to facility or clinic based care and other *medically necessary* therapeutic services that are rendered in *your* home.

In order for services to be received in *your* home, *you* must be *homebound*, or the *Plan Administrator* must determine the services are medically appropriate and the most cost effective to the *Plan*.

A *health care service* shall not be considered *skilled care* merely because it is performed by, or under the direct supervision of, a licensed registered nurse. Where a *health care service* (such as tracheotomy suctioning or ventilator monitoring or like services) can be safely and effectively performed by a non-medical person, or self-administered, without the direct supervision of a licensed registered nurse, the *health care service* shall not be regarded as *skilled care*, whether or not a skilled nurse actually provides the service. The unavailability of a competent person to provide a non-skilled service shall not make it a skilled service when a skilled nurse provides it. Only the skilled nursing component of “blended” services (i.e., services that include skilled and non-skilled components) is covered under the *Plan*.

The *Plan* covers palliative care benefits if *you* are not *homebound*. Palliative care includes symptom management, education, and establishing goals of care.

Exclusions:

- Please see the section entitled “Exclusions.”
- Companion and home care services, unskilled nursing services, services provided by *your* family or a person who shares *your* legal residence.
- *Health care services* and other services provided as a substitute for a primary caregiver in the home.
- *Health care services* and other services that can be performed by a non-medical person or self-administered.
- Home health aides, unless determined to be *medically necessary* by the *Plan Administrator*.
- *Health care services* and other services provided in *your* home for convenience.
- *Health care services* and other services provided in *your* home due to lack of transportation.
- *Custodial care*.
- *Health care services* and other services at any site other than *your* home.
- *Health care services* and other services rendered by *providers* unlicensed or not certified by the appropriate state regulatory agency.

Benefits	Participating Provider Plan Payment	Non-Participating Provider Plan Payment Note: For <i>non-participating providers</i> , in addition to any <i>deductibles</i> and <i>coinsurance</i> , you pay all charges that exceed the <i>usual and customary amount</i> .

I. Hospice Care	100% of <i>eligible charges</i> after the <i>deductible</i> .	Not covered.
------------------------	---	--------------

The *Plan* covers hospice services for terminally ill patients in a hospice program. The patient must meet the eligibility requirements of the program and elect to receive services through the hospice program. The services will be provided in the patient’s home or hospice center, with inpatient care available when *medically necessary*. Hospice services are in lieu of curative or restorative treatment.

Eligibility. In order to be eligible to be enrolled in the hospice program, *you* must:

- Be terminally ill with *physician* certification of six months or less to live; and
- Have chosen a palliative treatment focus (i.e., emphasizing comfort and supportive services rather than restorative treatment or treatment attempting to cure the disease or condition).

You may withdraw from the hospice program at any time.

Hospice services include the following services, if authorized in advance by the *Plan Administrator* and provided in accordance with an approved hospice treatment plan:

- Care provided in *your* home by an interdisciplinary hospice team (which may include a *physician*, nurse, social worker and spiritual counselor) and home health aide services;
- One or more periods of continuous care provided in *your* home or in a setting that provides day care for pain or symptom management by a registered nurse, licensed practical nurse, or home health aide, when *medically necessary* as determined by the *Plan Administrator*;
- *Medically necessary* inpatient services;
- Respite care for caregivers in *your* home or in an appropriate setting. Respite care must be authorized in advance to give *your* primary caregivers (i.e., family members or friends) rest and/or relief when necessary in order to maintain *you* at home. Respite care is limited to five calendar days per episode while *you* are enrolled in the hospice program;
- *Medically necessary* medications for pain and symptom management;
- Durable medical equipment when authorized in advance and determined by the *Plan Administrator* to be *medically necessary*.

Continuous care is defined as two to 12 hours of service per calendar day provided by a registered nurse, licensed practical nurse, or home health aide during a period of crisis in order to maintain *you* in *your* home when *you* are terminally ill.

Exclusions:

- Please see the section entitled “Exclusions.”
- *Health care services* and other services provided by *your* family or a person who shares *your* legal residence.
- Respite or rest care except as specifically described in this section.

Outpatient Hospital, Ambulatory Care, Surgical Facility Services, Partial Hospital or Day Treatment Services. The Plan covers *health care services* authorized by a *physician* for the diagnosis or treatment of *sickness* or *injury* on an outpatient basis:

- Use of operating rooms or other outpatient departments, rooms or facilities;
- General nursing care, anesthesia, radiation therapy, *prescription drugs* or other medications administered during treatment, blood and blood plasma, and other diagnostic or treatment related outpatient services;
- Mental health and substance use related disorder services, such as:
 - An initial court-ordered exam for a *covered dependent* age 18 and under;
 - Outpatient professional services for evaluation and diagnostic services, crisis intervention, therapeutic services including psychiatric services and treatment of mental and nervous conditions;
 - Diagnosis and treatment of substance-related conditions including evaluations, diagnostic services, therapeutic services and psychiatric services;
 - Outpatient individual and group therapy;
 - Outpatient family therapy that is recommended by a designated *provider* treating a minor covered dependent child; and
 - Medication management.
- Laboratory tests, pathology and radiology;
- *Physician* and other professional medical and surgical services rendered while an outpatient; and
- *Medically necessary* genetic testing determined by *TPA* to be *covered services* if it is determined that: 1) the *covered person* displays clinical features, or is at direct risk of inheriting the mutation in question (presymptomatic); and 2) the result of the test will directly impact the current treatment being delivered to the *covered person*; and 3) after history, physical examination and completion of conventional diagnostic studies, a definitive diagnosis remains uncertain and a valid specific test exists for the suspected condition.

The *Plan* also covers *preventive health care services*. These preventive services will be covered as shown in the *Preventive Health Care Services* section of this *SPD*.

Inpatient Services. The *Plan* covers *health care services* authorized by a *physician* for the treatment of acute *sickness* or *injury* that requires the level of care only available in an *acute care facility, hospital* or *residential treatment facility*. Inpatient services include, but are not limited to:

- Room and board;
- The use of operating rooms, intensive care facilities, newborn nursery facilities;
- General nursing care, anesthesia, radiation therapy, *prescription drugs* or other medications administered during treatment, blood and blood plasma and other diagnostic or treatment related inpatient services;
- *Physician* and other professional medical and surgical services;
- Mental health and substance use related disorder services;
- Laboratory tests, pathology and radiology; and
- For a ventilator-dependent patient, up to 120 hours of services provided by a private-duty nurse or personal care assistant solely for the purpose of communication or interpretation for the patient.

The *Plan* covers a semi-private room. *Benefits* for a private room are available only when the private room is *medically necessary* for a *sickness* or *injury* or if it is the only option available at the admitted facility. If *you* choose a private room when it is not *medically necessary*, *Plan* payment toward the cost of the room shall be based on the average semi-private room rate in that facility.

Emergency Services that Lead to an Inpatient Admission

If *you* were incapacitated in a manner that prevented *you* from providing the required notice described under “Emergency Room Services,” or if *you* are a minor and *your* parent (or guardian) was not aware of *your* admission, then the time period begins when the incapacity is removed, or when *your* parent (or guardian) is made aware of the admission. *You* are considered incapacitated only when: (1) *you* are physically or mentally unable to provide the required notice; and (2) *you* are unable to provide the notice through another person.

Statement of Rights Under the Newborns’ and Mothers’ Health Protection Act

Under federal law, group health plans and health insurance issuers offering group health insurance coverage generally may not restrict *benefits* for any *hospital* length of stay in connection with childbirth for the mother or newborn child to less than 48 hours following a vaginal delivery, or less than 96 hours following a delivery by cesarean section. However, the group health plan or health issuer may pay for a shorter stay if the attending *provider* (e.g., *your physician*, nurse midwife, or *physician* assistant), after consultation with the mother, discharges the mother or newborn earlier.

Also, under federal law, group health plans or health issuers may not set the level of *benefits* or out-of-pocket costs so that any later portion of the 48-hour (or 96-hour) stay is treated in a manner less favorable to the mother or newborn than any earlier portion of the stay.

In addition, a group health plan or health issuer may not, under federal law, require that a *physician* or other health care *provider* obtain authorization for prescribing a length of stay of up to 48 hours (or 96 hours).

Travel service benefits are limited to a maximum <i>Plan</i> payment of \$50 per day and \$5,000 per transplant for the <i>covered person</i> and one companion. Coverage includes all transportation and lodging expenses combined.	Not covered.

The *Plan* covers *eligible transplant services* that are determined by the *Plan Administrator* to be *medically necessary* and not *investigative*. It is recommended that you follow the prior authorization procedure described in Section VI., *Benefit Schedule*.

Coverage for organ transplants, bone marrow transplants and bone marrow rescue services is subject to periodic review. The *Plan Administrator* evaluates *transplant services* for therapeutic treatment and safety. This evaluation continues at least annually or as new information becomes available and it results in specific guidelines about *benefits* for *transplant services*. You may call the *TPA* at the telephone number listed inside the front cover for information about these guidelines.

Benefits may be available for the following transplants when the transplant meets the definition of a *covered service* and is not *investigative*:

- Bone marrow transplants and peripheral stem cell transplants with or without high dose chemotherapy.
- Heart transplants.
- Heart/lung transplants.
- Lung transplants.
- Kidney transplants.
- Kidney/pancreas transplants.
- Liver transplants.
- Pancreas transplants.
- Small bowel transplants.

Transplant coverage includes a private room and all related post-surgical treatment and drugs. The transplant related treatment provided shall be subject to and in accordance with the provisions, limitations and other terms of this *SPD*.

Medical and *hospital* expenses of the donor are covered only when the recipient is a *covered person* and the transplant has been authorized in advance by the *Plan Administrator*. Treatment of medical complications that may occur to the donor are not covered.

Exclusions:

- Please see the section entitled “Exclusions.”

O. Prescription Drug Services

Coverage includes *prescription drugs* dispensed at a pharmacy.

Benefits for *specialty drugs* and/or injectable drugs, are as described in this section, regardless of the place of service where the *specialty drug* and/or injectable drug is dispensed or administered.

Specialty drugs identified for the Split Fill Program may be provided in a 7 or 15 calendar day supply per prescription or refill even if prescribed for 31 calendar days. For a list of drugs on the Split Fill Program go to the member site on www.preferredone.com or call Customer Service.

If you request a brand name drug when a generic drug alternative is available, you are required to pay the difference in cost between the brand name and the generic drug, in addition to any applicable *coinsurance*.

The difference in cost between the brand name drug and the generic will not apply to the *out-of-pocket limit*, *deductible* or to any *coinsurance* that you are responsible for. When you have reached the *out-of-pocket limit*, you must still pay for the difference in the cost between the brand name and the generic drug.

You may obtain a Retail/Maintenance supply of ongoing, long-term *prescription drugs* through the Retail/Maintenance Drug Pharmacy Network, which includes participating retail pharmacies. *You* may contact Customer Service to locate retail pharmacies participating in the Retail/Maintenance Drug Pharmacy Network.

For certain medical conditions, there is a need to manage the use of specific drugs before alternative (second line) drugs are prescribed for the same medical condition. This is known as step therapy. *Covered persons* in a step therapy program will need to meet the requirements of that program prior to receiving the second line drug. For information, *you* may call the *TPA* at the phone number listed on the inside front cover of this *SPD*. Step therapy can apply to *formulary* or *non-formulary* drugs. The Step Therapy list is subject to periodic review and modification by the *Plan*.

Certain drugs available over-the-counter are covered by the *Plan* as determined by the *Plan Administrator*. A list of such over-the-counter drugs is available upon request. Those over-the-counter drugs that are covered by the *Plan* will require a *physician's* prescription. To receive the *Plan's* payment toward *your* over-the-counter drugs, *you* must present *your* prescription at a participating pharmacy. *You* will be responsible for applicable *coinsurance* or *deductible* amounts.

Some dispensed *prescription drugs* require the use of quantity limits, which ensure that the quantity of each prescription remains consistent with clinical guidelines. The quantity limits list is subject to periodic review and modification by the *Plan*.

Compounded drugs will be covered provided that at least one active ingredient is a *prescription drug*. Payment for a *compounded drug* that has a commercially prepared product available that is identical to or similar to the *compounded drug* will be considered for coverage after documented failure of the commercially prepared product(s). A commercially prepared product is one that is available at the pharmacy in its final, usable form and does not need to be compounded at the pharmacy. The applicable *benefit* level will be applied. *Compounded drugs* containing any product that is excluded by the *Plan* will not be covered including dosages and route of administration that have not been approved by the FDA. *Compounded drugs* will be covered according to the *covered person's* pharmacy network *benefits*. If a *non-participating provider* pharmacy is used to obtain the compounded prescription, the *non-participating provider benefits* will apply without exception.

Off-label use of drugs. Off-label use of drugs, provided that they are not *investigative*, are covered when:

1. A drug is recognized as appropriate for cancer treatment in the National Comprehensive Cancer Network Drugs and Biologics Compendium; or

2. A drug is deemed appropriate for its proposed use by any authoritative compendia identified by the Medicare program, and/or in an article from a major peer reviewed medical journal, provided that such article uses generally acceptable scientific standards other than case-reports.

Prior authorization. Certain *prescription drugs* require prior authorization before *you* can have *your* prescription filled at the pharmacy. These *prescription drugs* include, but are not limited to:

- *Specialty drugs.*

For information, *you* may call the *TPA* at the phone number listed on the inside front cover of this *SPD*.

Exclusions:

- Please see the section entitled “Exclusions.”
- *Compounded drugs* that are being used for bio-identical hormone replacement therapy, unless otherwise covered.
- Replacement of a *prescription drug* due to loss, damage, or theft.
- Certain *combination drugs* and other drugs will not be covered according to the *Plan’s pharmacy* policy titled “Cost Benefit Program.” Contact Customer Service for a copy of this policy or a list of the affected drugs. This policy is subject to change.
- Over-the-counter drugs with or without a *physician’s* prescription, except as covered under this *SPD*.
- Over-the-counter home testing products, except as covered under this *SPD*.
- Drugs not approved by the FDA and drugs not approved by the FDA for a particular use, except off-label drugs used for the treatment of cancer or when the *Plan Administrator*, at its sole discretion, determines to include the drug on its *formulary* or approves coverage of the drug for the particular use.
- Take home drugs when dispensed by a *physician*.
- Weight loss drugs.

- *Health care services* and/or drugs to treat conditions that are *cosmetic* in nature.

Benefits	Participating Provider Plan Payment	Non-Participating Provider Plan Payment Note: For <i>non-participating providers</i> , in addition to any <i>deductibles</i> and <i>coinsurance</i> , you pay all charges that exceed the <i>usual and customary amount</i> .
-----------------	--	--

**R. Skilled Nursing
Facility Services**

Coverage is limited to a maximum of 120 days
per covered person per calendar year.

100% of <i>eligible charges</i> after the <i>deductible</i> .	55% of <i>eligible charges</i> after the <i>deductible</i> .
--	---

The *Plan* covers the eligible *skilled nursing facility* services for post-acute treatment and *rehabilitative care* of a *sickness* or *injury*. These services must be directed by a *physician* and authorized in advance by the *Plan Administrator*. It is recommended that you follow the prior authorization procedure described in Section VI., *Benefit Schedule*.

Skilled nursing facility services include room and board, daily skilled nursing and related ancillary services. The *Plan Administrator* determines when care no longer meets criteria for coverage.

The *Plan* covers a semi-private room. *Benefits* for a private room are available only when the private room is *medically necessary* for a *sickness* or *injury* or if it is the only option available at the admitted facility. If you choose a private room when it is not *medically necessary*, *Plan* payment toward the cost of the room shall be based on the average semi-private room rate in that facility. Only services that qualify as reimbursable under Medicare are *eligible charges*.

Exclusions:

- Please see the section entitled “Exclusions.”
- Hospitalization, transportation, supplies, or medical services, including *physicians’* services furnished by the U.S. Government or by an institution operated by the U.S. Government, unless payment is required in accordance with applicable law.
- Private room, except when *medically necessary* or if it is the only option available at the admitted facility.
- Respite or *custodial care*.

VII. Exclusions

Many exclusions are interrelated so please read this entire section. The *Plan* will not cover charges *incurred* for any of the following services:

1. *Health care services* that the *Plan Administrator* determines are not *medically necessary*.
2. *Health care services* received before coverage under this *Plan* begins or after *your* coverage under this *Plan* ends.
3. *Health care services* that the *Plan Administrator* determines are *investigative* and their associated expenses.
4. *Health care services* not directly related to *your* care.
5. *Health care services* ordered or rendered by *providers* or para-professionals unlicensed by the appropriate state regulatory agency.
6. *Health care services* not rendered in the most cost-efficient setting or manner appropriate for the condition based on medical standards and accepted practice parameters of the community, or provided at a frequency other than that accepted by the medical community as medically appropriate.
7. Charges for *health care services* determined to be duplicate services by the *Plan Administrator*.
8. Charges that exceed the *usual and customary amount*.
9. *Health care services* prohibited by law or regulation, or illegal under applicable laws.
10. Charges for *health care services* that are eligible for payment under any insurance policy, including auto insurance, or under a Workers' Compensation law, employer liability law or any similar law.
11. *Health care services* that are paid or payable under Medicare Part B but only to the extent *you* are eligible to be covered under Medicare Part B and *you* and/or this *Plan* are not subject to Medicare secondary rules.
12. Non-emergency services received outside the United States.
13. Vision lenses, eyeglasses, frames and their related fittings.
14. Contact lenses and their related fittings, except when prescribed as *medically necessary* for the treatment of keratoconus.
15. *Health care services* or items for personal comfort or convenience.
16. Any *health care services* provided by a relative (i.e., a spouse, or a parent, brother, sister, or child of the *covered employee* or of the *covered employee's* spouse) or anyone who customarily lives in the *covered employee's* household.
17. *Health care services* provided by certified surgical technicians, certified surgical assistants, first surgical assistants, or orthopedic technicians.
18. *Health care services* provided by massage therapists, doulas and personal trainers.
19. *Health care services* of *providers* who have not completed professional level education and licensure as determined by the *Plan*.
20. Sexual devices, *health care services* for the treatment of sexual dysfunction, except as otherwise covered in this *SPD*.
21. Erectile dysfunction *prescription drugs*, unless otherwise covered in this *SPD* or approved for other use by any authoritative compendia identified by the Medicare program, and/or in an article from a major peer reviewed medical journal, provided that such article uses generally acceptable scientific standards other than case-reports.

22. Charges for medical services that are paid or payable under any auto insurance policy, which covers the *covered person*, or for which the *covered person* is required by law to enroll.
23. Procedures that are generally *cosmetic*, or for convenience or comfort reasons, as listed on the *Plan's* Cosmetic Procedures Policy. This policy may be obtained by calling Customer Service.
24. Orthognathic surgery, unless *medically necessary*.
25. Massage therapy.
26. Telephone consultations, except when provided by the *Plan's* designated online care *participating provider*.
27. Alternative therapies such as aromatherapy and reflexology.
28. *Vocational rehabilitation*.
29. Drugs, medical devices, or therapies that are approved only for *compassionate use* by the U.S. Food and Drug Administration.
30. Homeopathic medicine, including dietary supplements.
31. Holistic medicine and services.
32. Light-based treatments for acne.
33. Elective abortion, except in situations where the life of the mother would be endangered if the fetus is carried to full term.
34. Acupuncture, except for treatment in a chronic pain program or for the prevention and treatment of nausea associated with surgery, chemotherapy, or pregnancy. Services must be rendered by a licensed acupuncture practitioner or a *provider* licensed or trained in acupuncture.
35. Charges billed by *providers* that are not in compliance with generally accepted guidelines established by the Centers for Medicare & Medicaid Services (CMS) and/or the *TPA's* policies.
36. *Sickness or injury* that results from:
 - Engaging in an illegal act or the attempt to engage in a felony act, whether or not the individual is formally charged or convicted of such an act. This exclusion does not apply to any *sickness or injury* that is a result of an act of domestic violence or results from a medical condition, such as alcoholism.
 - Voluntary participation in a riot, insurrection, or civil disobedience.
 - War or any act of war. "War" means declared or undeclared war and includes acts of terrorism.
37. *Sickness or injury* that results from self-inflicted *injury* (other than suicide or attempted suicide). This exclusion does not apply to any *sickness or injury* that is a result of an act of domestic violence or results from a medical condition, such as depression.
38. *Health care services* including facility charges performed in a *non-participating provider* free-standing birth center unattached to a *hospital* facility.
39. Costs associated with *clinical trials* that are not *routine patient costs*.
40. *Health care services* associated with non-covered *services*, including, but not limited to, diagnostic tests, monitoring, laboratory services, drugs and supplies.
41. *Health care services* and certifications when required by third parties, including for purposes of insurance, legal proceedings, licensure and employment, and when such services are not preventive care or otherwise *medically necessary*, such as custody evaluations, vocational assessments, reports to the court, parenting assessments, risk assessments for sexual offenses, education classes for driving under the influence/driving while intoxicated, competency evaluations, and adoption studies.
42. Services provided to *you* if *you* also have other primary insurance coverage for those services and *you* do not provide the *Plan* with the necessary information to pursue coordination of benefits, as required under this *SPD*.

43. Professional services associated with a substance use intervention. A “substance use intervention” is a gathering of family and/or friends to encourage *you* to seek substance use treatment.
44. Halfway houses, *residential treatment facility* services (except as otherwise covered under this *SPD*), extended care facilities or comparable facilities, foster care, adult foster care, and family child care provided or arranged by the local state or county agency.

46. Sterilization reversals.
47. Nutritional and food supplements, except as covered under this *SPD*.
48. Vagus nerve stimulator treatment for the treatment of depression and quantitative electroencephalogram treatment for the treatment of behavioral health conditions.
49. *Health care services* for maternity labor and delivery in the home.
50. Health club memberships.
51. Recreational, *educational*, or self-help therapy or items primarily *educational* in nature or for vocation, comfort, convenience or recreation. Recreation therapy is therapy provided solely for the purpose of recreation, including, but not limited to: a) physical therapy or occupational therapy to improve athletic ability, and b) braces or guards to prevent sports injuries.
52. Nutritional and food supplements related to weight loss programs.
53. Weight loss drugs.
54. Any weight loss programs and related *health care services* that are not otherwise covered as *preventive health care services*.
55. Non-FDA approved use of medical marijuana, cannabis or tetrahydrocannabinol (THC).
56. *Health care services* related to surrogate pregnancy for a person who is not a *covered person* under this *SPD*.
57. *Health care services* and associated expenses for gender reassignment, except when *medically necessary*.
58. Charges for *health care services* (a) for which a charge would not have been made in the absence of health insurance, or (b) for which *you* are not legally obligated to pay, and/or (c) from *providers* who waive any *coinsurance* or *deductible* that *you* are required to pay under this *SPD*.
59. Contraceptives and contraceptive devices.

The following exclusions are repeated from Section VI., “Benefit Schedule”:

- Respite or *custodial care*.

VIII. Ending Your Coverage

Your coverage will terminate on the earliest of the following dates:

- The date the *Plan* is terminated;
- The end of the month in which the *covered employee* retires;
- The end of the month in which *your* eligibility under the *Plan* ends;
- The end of the month in which *your* written request to terminate coverage is received; unless the *covered employee's* premium payments are paid on a pre-tax basis, as pre-tax premium payments can only cease when certain change in status events occur;
- When *you* do not make *your* required *contribution* for coverage under the *Plan*. Termination will be retroactive to the last day for which *your* required *contribution* has been timely received; or
- The date *you*, or someone acting on *your* behalf, have performed an act or practice that constitutes fraud or made an intentional misrepresentation (including an omission) of material fact under the terms of the *Plan*.

For a covered dependent child, coverage will terminate the end of the month in which the child is no longer eligible as a *covered dependent*. If *your* covered dependent child is disabled, coverage will end the end of the month in which the covered dependent child marries or is no longer disabled.

IX. Leaves of Absence

A. Family and Medical Leave Act (FMLA)

If *you* are absent from work due to an approved family or medical leave under the Family and Medical Leave Act of 1993 (FMLA), coverage may be continued for the duration of the approved leave of absence as if there was no interruption in employment. Such coverage will continue until the earlier of the expiration of such leave or the date *you* notify the Employer that *you* do not intend to return to work. *You* are responsible for all required *contributions*.

If *you* do not return after an approved leave of absence, coverage may be continued under the “COBRA Continuation Coverage” section, provided that *you* elect to continue under that provision. If the *covered employee* returns to work immediately following his/her approved FMLA leave, no new *waiting periods* will apply.

FMLA applies to employees of a covered employer that work at a worksite within 75 miles of where that employer employs at least 50 employees.

B. The Uniformed Services Employment and Reemployment Rights Act of 1994 (USERRA)

Continuation of Benefits. *Covered employees* who are absent due to service in the uniformed services and/or their *covered dependents* may continue coverage pursuant to USERRA for up to 24 months after the date the *covered employee* is first absent due to uniformed service duty.

Eligibility. A *covered employee* is eligible for continuation under USERRA if he or she is absent from employment because of voluntary or involuntary performance of duty in the Armed Forces, Army National Guard, Air National Guard or the commissioned corps of the Public Health Service. Duty includes absence for active duty, active duty for training, initial active duty for training, inactive duty training and for the purpose of an examination to determine fitness for duty.

Covered dependents who have coverage under the *Plan* immediately prior to the date of the *covered employee's* covered absence are eligible to elect continuation under USERRA.

Upon the *covered employee's* return to work immediately following his/her leave under USERRA, no new *waiting periods* will apply.

Premium Payment. If continuation of *Plan* coverage is elected under USERRA, the *covered employee* or *covered dependent* is responsible for payment of the applicable cost of coverage. If the *covered employee* is absent for not longer than 31 calendar days, the cost will be the amount the *covered employee* would otherwise pay for coverage. For absences exceeding 31 calendar days, the cost may be up to 102% of the cost of coverage under the *Plan*. This includes the *covered employee's* share and any portion previously paid by the Employer.

Duration of Coverage. Elected continuation coverage under USERRA will continue until the earlier of:

1. Twenty-four months, beginning the first day of absence from employment due to service in the uniformed services;
2. The day after the *covered employee* fails to apply for or return to employment as required by USERRA, after completion of a period of service;
3. The early termination of USERRA continuation coverage due to the *covered employee's* court-martial or dishonorable discharge from the uniformed services; or
4. The date on which this *Plan* is terminated.

The continuation available under USERRA does not affect continuation available under “COBRA Continuation Coverage.” *Covered employees* should contact their Employer with any questions regarding coverage normally available during a military leave of absence or continuation coverage and notify the Employer of any changes in marital status or a change of address.

Return to Work Requirements. Under USERRA a *covered employee* is entitled to return to work following an honorable discharge as follows:

1. Less than 31 days service: By the beginning of the first regularly scheduled work period after the end of the calendar day of duty, plus time required to return home safely and an eight-hour rest period.
2. Thirty-one to 180 days: The *covered employee* must apply for reemployment no later than 14 days after completion of military service.
3. One hundred and eighty-one days or more: The *covered employee* must apply for reemployment no later than 90 days after completion of military service.
4. Service-connected *injury* or illness: Reporting or application deadlines are extended for up to two years for persons who are *hospitalized* or *convalescing*.

X. COBRA Continuation Coverage

The *covered employee*, his/her covered spouse and covered dependent children may continue coverage under the *Plan* when a qualifying event occurs. *You* may elect COBRA for *yourself* regardless of whether the *covered employee* or other eligible dependents in *your* family elect COBRA. A *covered employee* and a covered spouse may elect COBRA on behalf of each other and/or their covered dependent children. If a loss of coverage qualifying event occurs:

1. In certain cases, the *covered employee* may continue his/her coverage and may also continue coverage for his/her covered spouse and covered dependent children when coverage would normally end;
2. In certain cases, the covered spouse and covered dependent children may continue coverage when coverage would normally end;
3. Coverage will be the same as that for other similar *covered persons*; and
4. Continuation coverage under this *Plan* ends when this *Plan* terminates or as explained in detail on the following Continuation Chart. The *covered employee*, his/her covered spouse and covered dependent children may, however, be entitled to continuation coverage under another group health plan offered by the Employer. *You* should contact the Employer for details about other continuation coverage.

For additional information about *your* rights and obligations under the *Plan* and/or federal COBRA law, *you* should contact the Employer, which is the official *Plan Administrator*.

Qualifying Events

1. Loss of coverage under this *Plan* by the *covered employee* due to one of these events:
 - a. Voluntary or involuntary termination of employment of the *covered employee* for reasons other than “gross misconduct.”
 - b. Reduction in the hours of employment of the *covered employee*.
 - c. Layoff of the *covered employee*.
 - d. Leave of absence of the *covered employee*.
 - e. Early retirement of the *covered employee*.
2. Loss of coverage under this *Plan* by the covered spouse and/or covered dependent children due to one of these events:
 - a. Voluntary or involuntary termination of employment of the *covered employee* for reasons other than “gross misconduct.”
 - b. Reduction in the hours of employment of the *covered employee*.
 - c. Layoff of the *covered employee*.
 - d. Leave of absence of the *covered employee*.
 - e. Early retirement of the *covered employee*.
 - f. *Covered employee* becoming entitled to Medicare.
 - g. Divorce or legal separation of the *covered employee*.
 - h. Death of the *covered employee*.
3. Loss of coverage under this *Plan* by the covered dependent child due to his/her loss of “dependent child” status under this *Plan*.
4. Loss of coverage under this *Plan* due to the bankruptcy of the Employer under Title XI of the United States Code. For purposes of this qualifying event (bankruptcy), a loss of coverage includes a substantial elimination of coverage that occurs within one year before or after commencement of the bankruptcy proceeding. Applies to the covered retiree, his/her covered spouse and covered dependent children.

Required Procedures

When the initial qualifying event is death, termination of employment or reduction in hours (including leave of absence, layoff, or retirement), or Medicare entitlement of the *covered employee*, or the bankruptcy of the Employer, the *Plan Administrator* will offer continuation coverage to qualified *covered persons*. *You* do not need to notify the *Plan Administrator* of these qualifying events. However, for other qualifying events including divorce or legal separation of the *covered employee* and loss of dependent child status, COBRA continuation is not available to *you* if *you* do not provide timely, written notice to the *Plan Administrator* as required below by the *Plan*. *You* must also

provide timely, written notice to the *Plan Administrator* of other events, such as a Social Security disability determination or second qualifying events, in order to be eligible for an extension of COBRA continuation as required by the *Plan* as stated in this section. To elect COBRA, *you* must make a timely, written election as required by the *Plan* as stated in this section.

What the *Plan Administrator* must do:

1. Provide initial general COBRA notices as required by law;
2. Determine if the *covered person* is eligible to continue coverage according to applicable laws;
3. Notify persons of the unavailability of COBRA continuation;
4. Notify the *covered person* of his/her rights to continue coverage provided that all required notice and notification procedures have been followed by the *covered employee*, covered spouse and/or covered dependent children;
5. Inform the *covered person* of the premium *contribution* required to continue coverage and how to pay the premium *contribution*; and
6. Notify the *covered person* when he or she is no longer entitled to COBRA or when his/her COBRA continuation is ending before expiration of the maximum (18, 29, 36 month) continuation period.

What *You* must do:

1. *You* must notify the *Plan Administrator* in writing of a divorce or legal separation within 60 calendar days after either the date of the qualifying event, or the earliest date coverage would end due to the qualifying event, whichever is later;
2. *You* must notify the *Plan Administrator* in writing of a covered dependent child ceasing to be eligible within 60 calendar days after either the date of the qualifying event, or the earliest date coverage would end due to the qualifying event, whichever is later;
3. *You* must submit *your* written notice of a qualifying event within the 60-day timeframe, as explained previously in paragraphs 1 and 2, using the *Plan's* approved notice form. (*You* may obtain a copy of the approved form from the *Plan Administrator*.) This notice must be submitted to the *Plan Administrator* in writing and must include the following:
 - The name of the *Plan*;
 - The name and address of the *covered employee* or former *covered employee*;
 - The names and addresses of all applicable dependents;
 - The description and date of the qualifying event;
 - Requested documentation pertaining to the qualifying event such as: decree of divorce or legal separation; and
 - The name, address and telephone number of the individual submitting the notice. This individual can be a *covered employee*, former *covered employee*, or his/her dependent(s); or a representative acting on behalf of the employee or dependent(s).

All written notices as described previously in paragraphs 1, 2, and 3, under “What *You* must do” must be timely sent to the *Plan Administrator* at the address indicated in the section of this *SPD* entitled “Specific Information About *Your Plan*.”

You must follow the *Plan's* procedures for providing written notice, within the specified time period, and for timely submitting, in writing, all required information and supporting documentation as described in this *SPD*, unless a different procedure is expressly required by the employer or its COBRA administrator.

4. To elect continuation, *you* must notify the *Plan Administrator* of *your* election in writing within 60 calendar days after the date the *covered person's* coverage ends, or the date the *covered person* is notified of continuation rights, whichever is later. To elect continuation, *you* must complete and submit *your* written election within the 60-day timeframe using the *Plan's* approved election form. (*You* may obtain a copy of the approved form from the *Plan Administrator*.) This election must be submitted to the *Plan Administrator* in writing at the address as described in this section; and

5. *You* must pay continuation premium *contributions*:
 - a. The premium *contribution* to continue coverage is the combined Employer plus *covered employee* rate charged under the *Plan*, plus the Employer may charge an additional two percent of that rate. For a *covered person* receiving an additional 11 months of coverage after the initial 18 months due to a COBRA extension for Social Security disability, the premium *contribution* for those additional months may be increased to 150% of the *Plan's* total cost of coverage. The continuation election form will set forth *your* continuation premium *contribution* rate(s).
 - b. The first premium *contribution* must be paid by check within 45 calendar days after electing to continue the coverage. Thereafter, the *covered person's* monthly payments are due and payable by check at the beginning of each month for which coverage is continued.
 - c. The *covered person* must pay subsequent premium *contributions* by check on or before the required due date, plus the 30 calendar day grace period required by law or such longer period allowed by the *Plan*.

What *You* must do to apply for COBRA extension:

A. Social Security Disability:

1. If *you* are currently enrolled in COBRA continuation under this *Plan*, and it is determined that *you* are totally disabled by the Social Security Administration within the first 60 calendar days of *your* current COBRA coverage, then *you* may request an extension of coverage provided that *your* current COBRA coverage resulted from the *covered employee's* leave of absence, retirement, reduction in hours, layoff, or his/her termination of employment for reasons other than gross misconduct. To request an extension of COBRA, *you* must notify the *Plan Administrator* in writing of the Social Security Administration's determination within 60 calendar days after the latest of:
 - The date of the Social Security Administration's disability determination;
 - The date of the *covered employee's* termination of employment, reduction of hours, leave of absence, retirement, or layoff; or
 - The date on which *you* would lose coverage under the *Plan* as a result of the *covered employee's* termination, reduction of hours, leave of absence, retirement, or layoff.
2. *You* must submit *your* written notice of total disability within the 60-day timeframe, as described previously in paragraph 1, and before the end of the 18th month of *your* initial COBRA coverage using the *Plan's* approved disability notice form. (*You* may obtain a copy of the approved form from the *Plan Administrator*.) This notice must be submitted, in writing, to the *Plan Administrator* and must include the following:
 - The name of the *Plan*;
 - The name and address of the *covered employee* or former *covered employee*;
 - The names and addresses of all applicable dependents currently on COBRA;
 - The description and date of the initial qualifying event that started *your* COBRA coverage;
 - The name of the disabled *covered person*;
 - The date the *covered person* became disabled;
 - The date the Social Security Administration made its determination of disability;
 - Requested copy of the Social Security Administration's determination of disability; and
 - The name, address and telephone number of the individual submitting the notice. This individual can be a *covered employee*, former *covered employee*, or his/her dependent(s); or a representative acting on behalf of the employee or dependent(s).

You must follow the *Plan's* procedures for providing written notice, within the specified time period, and for timely submitting, in writing, all required information and supporting documentation as described in this *SPD*, unless a different procedure is expressly required by the employer or its COBRA administrator.

All written notices required for COBRA for a Social Security disability extension must be timely sent to the *Plan Administrator* at the address indicated in the section of this *SPD* entitled "Specific Information About *Your Plan*."

3. To elect an extension of COBRA, *you* must notify the *Plan Administrator* of the Social Security Administration's determination, in writing, within the 60 calendar day and the initial 18-month continuation period timeframes, by following the notification procedure as previously explained in paragraphs 1 and 2, and submitting the *Plan's* approved form; and

4. *You must pay continuation premium contributions:*
 - a. The premium *contribution* to continue coverage is the combined Employer plus *covered employee* rate charged under the *Plan*, plus the Employer may charge an additional two percent of that rate. For a *covered person* receiving an additional 11 months of coverage after the initial 18 months due to a COBRA extension for Social Security disability, the premium *contribution* for those additional months may be increased to 150% of the *Plan's* total cost of coverage. The disability notice form will set forth *your* continuation premium *contribution* rate(s).
 - b. The first premium *contribution* must be paid by check within 45 calendar days after electing to continue the coverage. Thereafter, the *covered person's* monthly payments are due and payable by check at the beginning of each month for which coverage is continued.
 - c. The *covered person* must pay subsequent premium *contributions* by check on or before the required due date, plus the 30 calendar day grace period required by law or such longer period allowed by the *Plan*.

B. Second Qualifying Events for Covered Dependents Only:

1. If *you* are currently enrolled in COBRA continuation under this *Plan* and the *covered employee* dies, or in the case of divorce or a legal separation of the *covered employee*, or a covered dependent child loses eligibility, then *you* may request an extension of coverage provided that *your* current COBRA coverage resulted from the *covered employee's* leave of absence, retirement, reduction in hours, layoff or his/her termination of employment for reasons other than gross misconduct or resulted from a Social Security Administration disability determination. To request an extension of COBRA, *you* must notify the *Plan Administrator* in writing within 60 calendar days after the later of:
 - The date of the second qualifying event (death, divorce, legal separation, loss of dependent child status); or
 - The date on which the *covered dependent(s)* would lose coverage as a result of the second qualifying event.

Note: This extension is only available to a covered spouse and covered dependent children. This extension is not available when a covered employee becomes entitled to Medicare.

2. *You* must submit *your* written notice of a second qualifying event within the 60-day timeframe, as previously described in paragraph 1, using the *Plan's* approved second event notice form. (*You* may obtain a copy of the approved form from the *Plan Administrator*.) This notice must be submitted to the *Plan Administrator* in writing and must include the following:
 - The name of the *Plan*;
 - The name and address of the *covered employee* or former *covered employee*;
 - The names and addresses of all applicable dependents currently on COBRA;
 - The description and date of the initial qualifying event that started *your* COBRA coverage;
 - The description and date of the second qualifying event;
 - Requested documentation pertaining to the second qualifying event such as: a decree of divorce or legal separation or death certificate; and
 - The name, address and telephone number of the individual submitting the notice. This individual can be a *covered employee*, former *covered employee*, or his/her dependent(s); or a representative acting on behalf of the employee or dependent(s).

You must follow the *Plan's* procedures for providing written notice, within the specified time period, and for timely submitting, in writing, all required information and supporting documentation as described in this *SPD*, unless a different procedure is expressly required by the employer or its COBRA administrator.

All written notices required for COBRA for a second qualifying event extension must be timely sent to the *Plan Administrator* at the address indicated in the section of this *SPD* entitled "Specific Information About *Your Plan*."

3. To elect an extension of COBRA, *you* must notify the *Plan Administrator* of the second qualifying event in writing within the 60 calendar day timeframe, by following the notification procedure as previously explained in paragraphs 1 and 2, and submitting the *Plan's* approved form; and
4. *You* must pay continuation premium *contributions:*
 - a. The premium *contribution* to continue coverage is the combined Employer plus *covered employee* rate charged under the *Plan*, plus the Employer may charge an additional two percent of that rate. For a

covered person receiving an additional 11 months of coverage after the initial 18 months due to a COBRA extension for Social Security disability, the premium *contribution* for those additional months may be increased to 150% of the *Plan's* total cost of coverage. The election form will set forth *your* continuation premium *contribution* rates.

- b. The first premium *contribution* must be paid by check within 45 calendar days after electing to continue the coverage. Thereafter, the *covered person's* monthly payments are due and payable by check at the beginning of each month for which coverage is continued.
- c. The *covered person* must pay subsequent premium *contributions* by check on or before the required due date, plus the 30 calendar day grace period required by law or such longer period allowed by the *Plan*.

Additional Notices You Must Provide: Other Coverages, Medicare Entitlement and Cessation of Disability

You must also provide written notice of (1) *your* other group coverage that begins after COBRA is elected under the *Plan*; (2) *your* Medicare entitlement (Part A, Part B or both parts) that begins after COBRA is elected under the *Plan*; and (3) the *covered person*, whose disability resulted in a COBRA extension due to disability, being determined to be no longer disabled by the Social Security Administration.

Your written notice for the events previously described in this section must be submitted using the *Plan's* approved notification form within 30 calendar days of the events requiring additional notices as previously described. **The notification form can be obtained from the Plan Administrator and must be completed by you and timely submitted to the Plan Administrator at the address indicated in the section of this SPD entitled "Specific Information About Your Plan."** In addition to providing all required information requested on the *Plan's* approved notification form, *your* written notice must also include the following:

- If providing notification of other coverage that began after COBRA was elected, the name of the *covered person* who obtained other coverage, and the date that other coverage became effective.
- If providing notification of Medicare entitlement, the name and address of the *covered person* that became entitled to Medicare and the date of the Medicare entitlement.
- If providing notification of cessation of disability, the name and address of the formerly disabled *covered person*, the date that the Social Security Administration determined that he/she was no longer disabled and a copy of the Social Security Administration's determination.

If *you* do not provide this required additional notice, *you* must reimburse any claims mistakenly paid for expenses *incurred* after the following applicable date:

1. *Your* other group coverage begins;
2. *Your* Medicare Part A or Part B enrollment begins; or
3. *Your* disability ends.

Special Enrollment Periods

If *you* are a *covered employee*, covered spouse, or *covered dependent* who is enrolled in continuation coverage under this *Plan* due to a qualifying event (and not due to another enrollment event such as a special or annual enrollment), the Special Enrollment Period provisions of this *SPD* as referenced in the section which describes eligibility and enrollment will apply to *you* during the continuation period required by federal law as such provisions would apply to an active eligible *covered employee*. Eligible dependents that are newborn children or newly adopted children (as described in the eligibility and enrollment section) that are acquired by a *covered employee* during his/her continuation period required by federal law and are enrolled through special enrollment, are entitled to continue coverage for the maximum continuation period required by law.

If the continuation period required by federal law has been exhausted, and *you* are enrolled for additional continuation coverage pursuant to state law, if applicable, or the eligibility provisions of this plan, *you* may be entitled to the special enrollment rights upon acquisition of a new dependent through marriage, birth, adoption, placement for adoption, or legal guardianship, as referenced in the section entitled Special Enrollment Period for New Dependents Only.

Special Rule for Persons Qualifying for Federal Trade Act Adjustments

Federal trade act laws give special COBRA rights to *covered employees* who terminate employment or experience a reduction of hours, and who qualify for a “trade readjustment allowance” or “alternative trade adjustment assistance” under federal laws, including the Trade Adjustment Assistance Reauthorization Act of 2015

If *you* qualify or may qualify for trade adjustment assistance, contact the *Plan Administrator* for additional information. *You* must contact the *Plan Administrator* promptly after qualifying for trade adjustment assistance or *you* will lose your special COBRA rights.

Written Notices Required for COBRA Continuation

All notices, elections and information required to be furnished or submitted by a *covered person*, covered spouse or covered dependent children for purposes of COBRA continuation must be submitted in writing by U.S. mail or hand-delivery, or as previously described in this section. Oral communications, including phone calls, voice mails or in-person statements and electronic e-mail do not constitute written notice and are not acceptable for COBRA purposes under the *Plan*.

XI. Subrogation and Reimbursement

Subrogation

The *Plan* and the *Plan Administrator* have the full and unrestricted right of subrogation with respect to any *sickness* or *injury* for which any *benefit* or payment is provided, or may at any time in the future be provided, under the *Plan*. The *Plan Administrator* has delegated to the *TPA* the ability to pursue this right, and the authority to redelegate such activity to other individuals or entities. That right of subrogation also extends to any coverage or rights a *covered person* has, or may have, under any insurance coverage, including, but not limited to, any uninsured or underinsured motorist coverage. The *Plan's* and the *Plan Administrator's* right of subrogation shall in all circumstances fully apply without limitation and shall not be reduced under any circumstances, even if a *covered person* is not made whole for his/her damages or losses, such as damages for pain and suffering, lost wages, etc.

The *Plan's* and the *Plan Administrator's* subrogation rights shall also not be reduced by any expenses *incurred* by any *covered person*, including, but not limited to, attorneys' fees. Any and all amounts recovered by or on behalf of a *covered person* by settlement, judgment, arbitration or by any means whatsoever shall be placed into a constructive trust subject to the *Plan's* and the *Plan Administrator's* right of subrogation or shall be paid over to the *Plan* without any reduction, regardless of how such amounts are characterized or allocated. The *Plan's* and the *Plan Administrator's* subrogation rights shall have priority over any rights or claims of a *covered person*, and pursuant to such right of priority, the *Plan* shall first be paid in full for its subrogation rights before any amount, regardless of how characterized or allocated, is retained by, or for, a *covered person*.

A *covered person* shall fully cooperate with the *Plan*, the *Plan Administrator*, the *TPA* and their designees in the enforcement of the *Plan's* and the *Plan Administrator's* subrogation rights, which cooperation shall include, but not be limited to, paying over to the *Plan* any and all amounts due the *Plan* and the execution of any agreements, assignments or other instruments requested by the *Plan*, the *Plan Administrator*, the *TPA* and their designees. If

information and assistance are not provided to the *Plan* upon request, no *benefits* will be payable under the *Plan* with respect to costs *incurred* in connection with such *sickness* or *injury*. If the *sickness* or *injury* giving rise to subrogation involves a minor child or wrongful death of a *covered person*, this provision applies to the parents or guardian of the minor *covered person* and the personal representative of the deceased *covered person*. A *covered person* shall take no action which directly or indirectly adversely affects the *Plan's* and the *Plan Administrator's* rights of subrogation, and any settlement entered into by or on behalf of a *covered person* shall be subject to and shall fully recognize the *Plan's* and the *Plan Administrator's* right of priority to be fully repaid for its subrogation rights from any and all amounts, regardless of how characterized or allocated, recovered in connection with such settlement before any amounts from such settlement are retained by, or for, a *covered person*.

As a condition of receiving *benefits* under this *Plan*, you agree:

- To reimburse the *Plan* for any such *benefits* paid or payable to, or on behalf of, the *covered person* when said *benefits* are recovered from any form, regardless of how classified or characterized, from any person, corporation, entity, no-fault carrier, uninsured motorist carrier, underinsured motorist carrier, medical payment provision or other insurance policies or funds.
- The *Plan Administrator* retains all fiduciary responsibilities with respect to the *Plan*, has the exclusive, final and binding discretionary authority to interpret and administer the *Plan*, resolve any ambiguities that exist and make all factual determinations, except to the extent the *Plan Administrator* has expressly delegated to other persons or entities one or more fiduciary responsibilities with respect to the *Plan*. The rights of subrogation and reimbursement shall bind the *covered person's* guardian(s), estate, executor, personal representative and heir(s).

Reimbursement Rights

You agree to hold in constructive trust the proceeds of any settlement or judgment for the *Plan's* and the *Plan Administrator's* benefit under this Section. If you fail to reimburse the *Plan* out of any recovery or reimbursement received for all *benefits* paid or to be paid as a result of your *sickness* or *injury*, you will be liable for any and all expenses, whether fees or costs, associated with the *Plan's*, the *Plan Administrator's*, the *TPA's* and their designees' attempts to recover such money from you.

XII. Coordination of Benefits

As a *covered person*, you agree to permit the *Plan* to coordinate obligations under this *SPD* with payments under any other health benefit plans as specified below, which covers you as an employee or dependent. You also agree to provide any information or submit any claims to other health benefit plans necessary for this purpose. You agree to authorize billing to other health plans for purposes of coordination of benefits.

This *Plan* does coordinate your *prescription drug benefits* under this *SPD* with any other health plan's *prescription drug* benefits.

Unless applicable law prevents disclosure of the information without the consent of the *covered person* or the *covered person's* representative, each *covered person* claiming *benefits* under this *Plan* must provide any fact needed to pay the claim. If the information cannot be disclosed without consent, the *Plan* will not pay *benefits* until the information is given.

- A. APPLICATION:** This Coordination of Benefits provision applies when you have health care coverage under more than one plan. "Plan" is defined below.

B. DEFINITIONS. These definitions only apply to the Coordination of Benefits provision:

Allowable Expenses	Means a <i>health care service</i> or expense, including <i>deductibles, coinsurance</i> and copayments, that is covered at least in part by any of the plans covering the person. When a plan provides benefits in the form of services, (for example an HMO) the reasonable cash value of each service will be considered an allowable expense and a benefit paid. An expense or service that is not covered by any of the plans is not an allowable expense.
Claim Determination Period	Means a calendar year. However, it does not include any part of a year during which a person has no coverage under this <i>Plan</i> , or before the date this Coordination of Benefit provision or a similar provision takes effect.
Closed Panel Plan	Means a plan that provides health benefits to persons primarily in the form of services through a panel of <i>providers</i> that have contracted with or are employed by the plan, and that limits or excludes benefits or services provided by other <i>providers</i> , except in cases of <i>emergency</i> or referral by a panel member.
Custodial Parent	Means a parent awarded custody by a court decree. In the absence of a court decree, it is the parent with whom the child resides more than half of the calendar year without regard to any temporary visitation.
Dependent	A <i>covered employee's</i> eligible dependent as described in the section "Eligibility, Enrollment, and <i>Effective Date</i> " who is enrolled under the <i>Plan</i> .
Plan	<p>Means any of the following that provides benefits or services for medical or dental care or treatment. However, if separate policies are used to provide coordinated coverage for members of any group, the separate policies are considered parts of the same plan and there is no Coordination of Benefits among these policies.</p> <ol style="list-style-type: none">Group, blanket, franchise, closed panel or other forms of group or group type coverage (insured or uninsured);<i>Hospital</i> indemnity benefits in excess of \$200 per day;Medical care components of group long-term care policies, such as <i>skilled care</i>;A labor-management trustee plan or a union welfare plan;An employer or multi-employer plan or employee benefit plan;Medicare or other governmental benefits, as permitted by law;Insurance required or provided by statute;Medical benefits under group or individual automobile policies;Individual or family insurance for <i>hospital</i> or medical treatment or expenses;Closed panel or other individual coverage for <i>hospital</i> or medical treatment or expenses. <p><i>Plan</i> does not include any:</p> <ol style="list-style-type: none">Amounts of hospital indemnity insurance of \$200 or less per day;Benefits for non-medical components of group long-term care policies;School accident-type coverages;Medicare supplement policies;Medicaid policies and coverage under other governmental plans, unless permitted by law. <p>Each contract for coverage listed above is a separate plan. If a plan has two parts and Coordination of Benefits rules apply to one of the two, each of the parts is treated as a separate plan. The benefits provided by a plan include those that would have been provided if a claim had been duly made.</p>
Primary Plan/Secondary Plan	<p>Means the order of benefit determination rules which determine whether this <i>Plan</i> is a "primary plan" or "secondary plan" when compared to the other plan covering the person.</p> <p>When this <i>Plan</i> is primary, its <i>benefits</i> are determined before those of any other plan and without considering any other plan's benefits. When this <i>Plan</i> is secondary, its <i>benefits</i> are determined after those of another plan and may be reduced because of the primary plan's benefits.</p>

- C. ORDER OF BENEFIT DETERMINATION RULES:** The primary plan pays or provides its benefits as if the secondary plan or plans did not exist. The order of benefit determination rules below determine which plan will pay as the primary plan. The primary plan that pays first pays without regard to the possibility that another plan may cover some expenses. A secondary plan pays after the primary plan and may reduce the benefits it pays so that payments from all group plans do not exceed 100% of the total allowable expense.

A plan that does not contain a Coordination of Benefits provision that is consistent with this section is always primary. **Exception:** Group coverage designed to supplement a part of a basic package of benefits may provide that the supplementary coverage shall be excess to any other parts of the plan provided by the employer.

A plan may consider the benefits paid or provided by another plan in determining its benefits only when it is secondary to that other plan.

This *Plan* will not pay more than it would have paid had it been the primary plan. This *Plan* determines its order of *benefits* by using the first of the following that applies:

1. **Nondependent/Dependent:** The plan that covers the person other than a dependent, for example as an employee, subscriber, or retiree is the primary plan; and the plan that covers the person as a dependent is the secondary plan.

Exception: If the person is a Medicare beneficiary and federal law makes Medicare:

- a. Secondary to the plan covering the person as a dependent; and
- b. Primary to the plan covering the person as a nondependent (e.g., a retired employee); then the order is reversed, so the plan covering that person as a nondependent is secondary and the other plan is primary.

2. **Child Covered Under More Than One Plan:** The order of benefits when a child is covered by more than one plan is:

- a. The primary plan is the plan of the parent whose birthday is earlier in the year if:
 - The parents are married;
 - The parents are not separated (whether or not they ever have been married); or
 - A court decree awards joint custody without specifying that one party has the responsibility to provide health care coverage.

If both parents have the same birthday, the plan that covered either of the parents for a longer time is primary.

For a child covered under more than one plan by persons who are not the parents of such child, the order of benefits shall be determined under paragraph 2.a of this section as if those persons were parents of such child.

- b. If the specific terms of a court decree state that one of the parents is responsible for the child's health care expenses or health care coverage and the plan of that parent has actual knowledge of those terms; then that plan is primary. This rule applies to claim determination periods or plan years commencing after the plan is given notice of the court decree.
- c. If the parents are not married, or are separated (whether or not they ever have been married) or are divorced, the order of benefits is the plan of the:
 - Custodial parent;
 - Spouse of the custodial parent;
 - Noncustodial parent; and then
 - Spouse of the noncustodial parent.
- d. For a dependent child who has coverage under either or both parents' plans and also has his or her own coverage as a dependent under a spouse's plan, the rule in paragraph 5 of this section applies. In the event the dependent child's coverage under the spouse's plan began on the same date as the dependent child's coverage under either or both parents' plans, the order of benefits shall be determined by applying the birthday rule in paragraph 2.a of this section to the dependent child's parent(s) and the dependent's spouse.

3. **Active/Inactive Employee:** The plan that covers a person as an employee who is neither laid off nor retired (or as that employee's dependent) is primary to a plan that covers the person as a laid off or retired employee (or as that employee's dependent). If the other plan does not have this rule, and if, as a result, the plans do not agree on the order of benefits; then this rule is ignored. This rule does not apply if the rule under paragraph 1 can determine the order of benefits. For example: coverage provided to a person as a

retired worker and as a dependent of an actively working spouse will be determined under the rule in paragraph 1.

4. **Continuation Coverage:** If a person whose coverage is provided under a right of continuation provided by the federal or state law is also covered under another plan, then:
 - a. The plan covering the person as an employee, *covered person*, subscriber, or retiree (or as a dependent of an employee, *covered person*, subscriber, or retiree) is the primary plan.
 - b. The continuation coverage is the secondary plan.
 - c. If the other plan does not have this rule; and if, as a result, the plans do not agree on the order of benefits; then this rule is ignored. This rule does not apply if the rule under paragraph 1 can determine the order of benefits.
5. **Longer/Shorter Length of Coverage:** The plan that covered the person as an employee, dependent or retiree for a longer time is primary.

D. THE EFFECT ON THE BENEFITS OF THIS PLAN: When this *Plan* is secondary, it may reduce its *benefits* at the time of processing, so that the total benefits paid or provided by all plans for each claim are not more than 100% of total allowable expenses for such claim. The reduction in this *Plan's benefits* is equal to the difference between:

1. The *benefit* payments that this *Plan* would have paid had it been the primary plan; and
2. The *benefit* payments that this *Plan* actually paid or provided.

When the *benefits* of this *Plan* are reduced as described above, each *benefit* is reduced in proportion to any applicable limit, such as the *deductible* of this *Plan*.

E. RIGHT TO RECEIVE AND RELEASE INFORMATION: Certain facts about health care coverage and services are needed to apply Coordination of Benefit rules and to determine *benefits* payable under this *Plan* and other plans. The *TPA* may get the facts it needs from or give them to any other organization or person for the purpose of applying these rules and determining *benefits* payable under this *Plan* and other plans covering the person claiming *benefits*. The *TPA* need not tell, or get the consent of, any person to do this. Each person claiming *benefits* under this *Plan* must give the *Plan* any facts it needs to apply those rules and determine *benefits* payable.

F. FACILITY OF PAYMENT: A payment made under another plan may have included an amount that should have been paid under this *Plan*. If it does, the *Plan* may pay that amount to the organization that made the payment. That amount will then be treated as though it was a *benefit* paid under this *Plan*. The *Plan* will not pay that amount again. The term “payment made” includes providing *benefits* in the form of services. In this case “payment made” means the reasonable cash value of the *benefits* provided in the form of services.

G. RIGHT OF RECOVERY: If the *Plan* paid more than it should have paid, it may recover the excess from one or more of the following:

1. The persons the *Plan* has paid or for whom it has paid; or
2. Any other person or organization that may be responsible for the *benefits* or services provided under this *Plan* to the *covered person*.

The “amount of payments made” includes the reasonable cash value of any *benefits* provided in the form of services.

H. COORDINATING WITH MEDICARE: This section describes the method of payment if Medicare pays as the primary plan.

If a *provider* has accepted assignment of Medicare, this *Plan* determines allowable expenses based upon the amount allowed by Medicare. This *Plan's* allowable expenses are the lesser of the *and customary amount* or the Medicare allowable amount. The *Plan* pays the difference between what Medicare pays and the *Plan's* allowable expenses.

If *you* are eligible for Medicare, *you* will be considered covered for benefits payable under Medicare Part B regardless of whether *you* have applied for Medicare Part B coverage.

Renal Failure. If you begin to have services related to renal failure, we request that you sign up for Medicare.

XIII. How to Submit a Bill if You Receive One for Covered Services

A. Bills from Participating Providers

When you present your identification card at the time of requesting services from participating providers, paperwork and submission of post-service claims relating to services will be handled for you by your participating provider. You may be asked by your provider to sign a form allowing your provider to submit claims on your behalf. If you receive an invoice or bill from your provider for services, simply return the bill or invoice to your provider, noting your enrollment in the Plan. Your provider will then submit the post-service claim under the Plan in accordance with the terms of its participation agreement. Your claim will be processed for payment according to the Employer's coverage guidelines. The TPA must receive claims within 365 calendar days after the date services were incurred, except in the absence of your legal capacity. Claims received after the deadline will be denied.

B. Bills from Non-Participating Providers

Claim Submission. You must submit a completed claim form in writing, together with an itemized bill for the services incurred, on the claim form provided and in accordance with the filing procedures for post-service claims outlined in the next section. The TPA must receive claims within 365 calendar days after the date services were incurred, except in the absence of your legal capacity. If the Plan is discontinued, the deadline for the receipt of claims is 180 calendar days. Claims received after the deadline will be denied. If you need claim forms, please contact Customer Service.

Payment of Claims. Claims for benefits will be paid promptly upon receipt of written proof of loss. Benefits which are payable periodically during a period of continuing loss will be paid on a periodic basis. All or any portion of any benefits provided by the Plan may be paid directly to the provider rendering the services. Payment will be made according to the Employer's coverage guidelines.

XIV. Initial Benefit Determinations of Post-Service Claims

Post-service claims are claims that are filed for payment of benefits under the Plan after health care services have been received and submitted in accordance with the post-service claim filing procedures for the Plan.

Filing Procedure for Post-Service Claims. To file a post-service claim, you or your attending provider must submit an itemized bill in writing and in accordance with the procedures and within the deadlines described in the section entitled "How to Submit a Bill if You Receive One for Covered Services." To be considered a properly filed post-service claim under the Plan, your completed claim form, together with an itemized bill and the essential data elements, must be submitted in writing to Customer Service at the mailing address noted inside the cover page to this SPD. Your post-service claim must include at least the following essential data elements:

- The identity of the covered person and provider of services;
- The date(s) of services;
- A specific medical diagnosis; and
- Specific treatment, health care service, or procedure codes for which benefits or payment is requested.

An explanation of these essential data elements will be provided to you, upon request and free of charge, by calling Customer Service. If you or your attending provider have not submitted the post-service claim in accordance with these filing procedures, including a failure to submit all essential data elements, your post-service claim will be treated as incorrectly filed. Please note that the time periods for making an initial benefit determination begin when Customer Service receives a written post-service claim submitted in accordance with the Plan's filing procedures.

If your attending provider files a post-service claim on your behalf, the provider will be treated as your authorized representative under the Plan for purposes of such claim and associated appeals unless you provide the TPA with specific direction otherwise within three business days from the Plan Administrator's notification that an attending provider was acting as your authorized representative. Your direction will apply to any remaining appeals.

A request or inquiry that is not made in accordance with the Plan's claim procedures will not be treated as a claim under the Plan.

Initial Benefit Determination. If *your* post-service *claim* is denied, the *TPA* will communicate such denial within 30 calendar days after receipt of a post-service *claim* submitted in accordance with the *Plan's* filing procedures. If the *TPA* does not have all information it needs to make an initial *benefit* determination, it may extend the time period for the initial *benefit* determination by 15 calendar days. The *TPA* will notify *you* of the extension within the initial 30 calendar day period. *You* will then have 45 calendar days, or longer time as granted to *you* in the extension notification, to provide the requested information. The *TPA* will notify *you* of its initial *benefit* determination within 15 calendar days after the earlier of the *TPA's* receipt of the requested information or the end of the time period specified for *you* to provide the requested information. If *you* do not provide the requested information within the time period specified, *your claim* will be denied. If *you* and *your* authorized representative then submit the requested information within 365 calendar days after the date services were *incurred* (except in the absence of *your* legal capacity), the *Plan Administrator* may, but is not required to, reconsider the submitted information, and will not consider information it receives more than 365 calendar days after the date *your* services were *incurred*.

The time period for the initial *benefit* determination may also be extended for 15 calendar days for circumstances beyond the *TPA's* control.

If *your* post-service *claim* is denied, notification will be provided to *you*. This notice will explain:

- Information sufficient to identify the *claim* involved and any information required by law.
- The reason for the denial;
- The part of the *Plan* on which it is based;
- Any additional material or information needed to make the *claim* acceptable and the reason it is necessary; and
- The procedure for requesting an appeal.

Note: Refer to the section entitled “*Claim Appeals Process*” for details on requesting an appeal or external review.

XV. *Claim Appeals Process*

Internal Appeals Process

The internal review process for an appeal of a *claim* that is wholly or partially denied and for a rescission (retroactive termination) of *your* coverage, as defined by the *Affordable Care Act*, is:

1. Post-Service Appeals

- a. **First Appeal.** If *your* post-service *claim* for *benefits* is wholly or partially denied, *you* or *your* authorized representative may submit an appeal within 180 calendar days after receiving notice that *your claim* is denied. *Your* appeal can be submitted to the *TPA* in writing, along with any issues, comments and additional information as appropriate.

Within 30 calendar days after *your* written first appeal is received by the *TPA*, *you* will receive notice of the *TPA's* decision, including the specific reasons for it and references to the part of the *Plan* on which it is based, and the procedure for requesting a second appeal from the *Plan Administrator*. This time period may be extended if *you* agree.

- b. **Second Appeal.** Within 60 calendar days after receiving a notice that *your* first appeal was denied, *you* or *your* authorized representative may submit a second appeal. *Your* second appeal can be submitted to the *TPA* in writing along with any issues, comments and additional information, as appropriate. The *TPA* will forward *your* second appeal to the *Plan Administrator* for its decision.

Within 30 calendar days after *your* written second appeal is received by the *Plan Administrator*, *you* will receive notice of the *Plan Administrator's* decision, including the specific reasons for it and references to the part of the *Plan* on which it is based. This time period may be extended if *you* agree.

2. Access to Relevant Documents

Upon request and free of charge, *you* have the right to reasonable access to and copies of all documents, records, and other information relevant to *your* appeal. If the *Plan Administrator* or the *TPA* generates, relies upon, or considers any new or additional evidence in connection with the appeal, or identifies any new or additional rationale for a denial, it will be provided to *you* so that *you* have a reasonable opportunity to respond. *You* have the right to present written evidence and testimony as part of the appeals process.

External Review Process

If *your claim* is wholly or partially denied, reduced, or terminated based on medical judgment, as defined in the *Affordable Care Act*, or if *your coverage* is rescinded (retroactively terminated), as defined by the *Affordable Care Act*, *you* may have a right to have such decision reviewed by an independent review organization that is not associated with the *TPA*, *Plan* or *Plan Administrator*. The decision of the independent review organization is binding except to the extent other remedies may be available to the *Plan*, any person, or any entity under state or federal law. The following sections relating to External Review apply only to a *claim* that is wholly or partially denied, reduced, or terminated based on medical judgment, as defined in the *Affordable Care Act* or if *your coverage* is rescinded (retroactively terminated), as defined by the *Affordable Care Act*:

1. **External Review.** *You* may request an external review of any post-service *claim* based on medical judgment if *you* have exhausted all appeals available to *you* under the internal appeals process. Any denial, reduction, or termination of, or failure to provide payment for, a *benefit* based on a determination that *you* failed to meet the requirements for eligibility under the terms of the *Plan* is not eligible for external review. Within four months after receiving a notice informing *you* of *your* right to an external review by an independent review organization, *you* or *your* authorized representative may submit a written request for an external review with an independent review organization by sending it to the *TPA*. When *you* request an external review, *you* will be required to authorize release of any medical records that the independent review organization might need to review for the purpose of reaching a decision.

Within one business day after completion of a preliminary review, which may take up to five business days, to confirm whether *you* were enrolled properly in the *Plan* at the time the post-service *claim* was provided, the *TPA* will notify *you* that *your* request is:

- a. Complete and eligible for external review; or
- b. Not complete, and will indicate what additional information or materials are needed to make it complete; or
- c. Not eligible for external review and the reasons for its ineligibility.

If *your* request is complete and eligible for external review, the *TPA* will notify *you* which independent review organization will conduct the external review. *You* will then receive more detailed information, including contact information for the independent review organization and the independent review process and timetable.

XVI. If You Have a Complaint

If the complaint involves issues relating to quality of health care rendered by a *participating provider*, *you* should also attempt to discuss the quality of care issues with the *provider*. *You* may also direct any questions or complaints to Customer Service. When Customer Service is contacted, the representative will assist *you* in trying to resolve the complaint with the *provider* on an informal basis. The representative will also document the complaint. If these discussions are not satisfactory, *you* may submit a written complaint to the *Plan Administrator*. However, the *Plan* is not responsible for the quality of care rendered by a *participating provider*.

XVII. No Guarantee of Employment or Overall Benefits

The adoption and maintenance of this *Plan* does not guarantee or represent that the *Plan* will continue indefinitely with respect to any class of employees and shall not be deemed to be a contract of employment between the Employer and any *covered employee*. Nothing contained herein shall give any *covered employee* the right to be retained in the employ of the Employer or to interfere with the right of the Employer to discharge any *covered employee*, at any time, nor shall it give the Employer the right to require any *covered employee* to remain in its employ or to interfere with the *covered employee's* right to terminate his/her employment at any time not inconsistent with any applicable employment contract. Nothing in this *Plan* shall be construed to extend *benefits* for the lifetime of any *covered person* or to extend *benefits* beyond the date upon which they would otherwise end in accordance with the provisions of the *Plan* or any *benefit* description.

The <i>hospital</i> is not mainly a place for rest or <i>custodial care</i> , and is not a nursing home or similar facility.
<i>Incurred</i>	<i>Health care services</i> rendered to <i>you</i> shall be considered to have been <i>incurred</i> at the time or date the <i>health care service</i> was actually purchased or provided.
<i>Injury</i>	Bodily damage other than <i>sickness</i> including all related conditions and recurrent symptoms.
<i>Investigative</i>	As determined by the <i>Plan Administrator</i> , a drug, device or medical treatment or procedure is <i>investigative</i> if reliable evidence does not permit conclusions concerning its safety, effectiveness, or effect on health outcomes. The <i>Plan Administrator</i> will consider the following categories of reliable evidence, none of which shall be determinative by itself: <ol style="list-style-type: none"> 1. Whether there is a final approval from the appropriate government regulatory agency, if required. This includes whether a drug or device can be lawfully marketed for its proposed use by the FDA; or if the drug, device or medical treatment or procedure is under study or if further studies are needed to determine its maximum tolerated dose, toxicity, safety or efficacy as compared to standard means of treatment or diagnosis; and 2. Whether there are consensus opinions or recommendations in relevant scientific and medical literature, peer-reviewed journals, or reports of clinical trial committees and other technology assessment bodies. This includes consideration of whether a drug is included in any authoritative compendia as identified by the Medicare program such as, the National Comprehensive Cancer Network Drugs and Biologics Compendium, as appropriate for its proposed use; and 3. Whether there are consensus opinions of national and local health care <i>providers</i> in the applicable specialty as determined by a sampling of <i>providers</i>, including whether there are protocols used by the treating facility or another facility, studying the same drug, device, medical treatment or procedure.
<i>Medically Necessary</i>	Any <i>health care services</i> , <i>preventive health care services</i> , and other preventive services that the <i>Plan Administrator</i> , in its discretion and on a case-by-case basis, determines are appropriate and necessary in terms of type, frequency, level, setting, and duration, for <i>your</i> diagnosis or condition; and the care must: <ol style="list-style-type: none"> 1. Be consistent with the medical standards and generally accepted practice parameters of the medical community; 2. Help restore or maintain <i>your</i> health; 3. Prevent deterioration of <i>your</i> condition; 4. Prevent the reasonably likely onset of a health problem or detect a problem that has no minimal symptoms.

<i>Named Fiduciary</i>	The person or organization that has the authority to control and manage the operation and administration of the <i>Plan</i> . The fiduciary has discretionary authority to determine eligibility for <i>benefits</i> or to construe the terms of the <i>Plan</i> and may delegate such discretion to other individuals or entities.
<i>Non-Designated Transplant Network Provider</i>	A transplant <i>provider</i> that is not contracted with or through the <i>TPA</i> to provide organ or bone marrow transplant or stem cell support and any related services and aftercare. A <i>non-designated transplant network provider</i> may be either a <i>participating provider</i> or a <i>non-participating provider</i> .
<i>Non-Participating Provider</i>	A clinic, <i>physician, provider</i> , or facility that is licensed but is not a <i>participating provider</i> .
<i>Non-Participating Provider Benefits</i>	Coverage for <i>health care services</i> provided by licensed <i>providers</i> other than <i>participating providers</i> . With <i>non-participating provider benefits</i> , you are financially responsible for a <i>deductible, coinsurance</i> , and any amount in excess of the <i>usual and customary amount</i> .
<i>Out-of-Pocket Limit</i>	The maximum amount of money <i>you</i> must pay in <i>coinsurance</i> and <i>deductibles</i> before this <i>Plan</i> pays <i>your eligible charges</i> at 100%. If <i>you</i> reach <i>benefit, day, or visit maximums</i> , <i>you</i> are responsible for amounts that exceed the <i>out-of-pocket limit</i> .
<i>Participating Provider</i>	A licensed clinic, <i>physician, provider</i> or facility that is directly contracted to participate in the specific <i>TPA participating provider</i> network designated by <i>Plan Administrator</i> to provide benefits to <i>covered persons</i> enrolled in this <i>SPD</i> . The participating status of <i>providers</i> may change from time to time. <i>Participating providers</i> may also be offered from other Preferred Provider Organizations that have contracted with <i>TPA</i> .
<i>Physical Disability</i>	A condition caused by a physical <i>injury</i> or congenital defect to one or more parts of <i>your</i> body that is expected to be ongoing for a continuous period of at least two years from the date the initial proof is supplied to the <i>Plan Administrator</i> and as a result <i>you</i> are incapable of self-sustaining employment and are dependent on the <i>covered employee</i> for a majority of financial support and maintenance. An illness by itself will not be considered a <i>physical disability</i> unless adequate separate proof is furnished to the <i>Plan Administrator</i> for the <i>Plan Administrator</i> to determine that a <i>physical disability</i> also exists as defined in the preceding sentence.
<i>Physician</i>	A licensed Doctor of Medicine (M.D.), Doctor of Osteopathy (D.O.), Doctor of Podiatry (D.P.M.), Doctor of Optometry (O.D.), or Doctor of Chiropractic (D.C.).
<i>Plan</i>	The self-insured employee welfare benefit plan, as defined by <i>ERISA</i> , established by the <i>Plan Sponsor</i> for the benefit of <i>covered persons</i> .
<i>Plan Administrator</i>	The entity, as defined under Section (3)(16) of <i>ERISA</i> , that has the exclusive, final and binding discretionary authority to administer the <i>Plan</i> , to make factual determinations, to construe and interpret the terms of the <i>SPD, Plan</i> , and amendments (including ambiguous terms), and to interpret, review and determine the availability or denial of <i>benefits</i> . The <i>Plan Administrator</i> may delegate discretionary authority and may employ or contract with individuals or entities to perform day-to-day functions, such as processing claims and performing other <i>Plan</i> -connected administrative services.
<i>Plan Sponsor</i>	The entity that establishes and maintains the <i>Plan</i> , has the authority to amend and/or terminate the <i>Plan</i> and is responsible for providing funds for the payment of <i>benefits</i> .
<i>Plan Year</i>	The period following the <i>effective date</i> of the <i>Plan</i> and each subsequent 12-month period this <i>Plan</i> remains in force.
<i>PreferredOne</i>	PreferredOne Administrative Services, Inc., which is a <i>third party administrator (TPA)</i> providing administrative services to <i>your Employer</i> in connection with the operation of the <i>Plan</i> .
<i>Prescription Drug</i>	A drug approved by the FDA for use only as prescribed by a <i>provider</i> properly authorized to prescribe that drug
<i>Preventive Health Care Services</i>	The <i>covered services</i> that are listed and covered in this <i>SPD</i> as shown under the <i>Preventive Health Care Services</i> section of the <i>Benefit Schedule</i> .

<i>Provider</i>	A health care professional, <i>physician</i> , clinic or facility licensed, certified, or otherwise qualified under applicable state law to provide health care services to <i>you</i> .
<i>Reconstructive</i>	<p>Surgery to restore or correct:</p> <ol style="list-style-type: none"> 1. A defective body part when such defect is incidental to or follows surgery resulting from <i>injury</i>, <i>sickness</i>, or other diseases of the involved body part; or 2. A congenital disease or anomaly which has resulted in a functional defect as determined by a <i>physician</i>; or 3. A physical defect that directly adversely affects the physical health of a body part, and the restoration or correction is determined by the <i>Plan Administrator</i> to be <i>medically necessary</i>.
<i>Rehabilitative Care</i>	Skilled restorative service that is rendered for the purpose of maintaining and improving functional abilities, within a predictable period of time, (generally within a period of six months) to meet <i>your</i> maximum potential ability to perform functional daily living activities.
