

## Social Accountability Statement - 2026

Trinity Care Center (TCC) has been a vital partner of the Farmington community since its opening of the skilled nursing facility in 1968. Originally, as part of a hospital corporation, it has a large contingent of volunteers from the community who have provided support and encouragement. Farmington Health Services (FHS), the corporation that operates both Trinity Care Center, Trinity Terrace (Independent and Assisted Living) and Trinity Suites (Memory Care), has a symbiotic relationship with the community, accepting the support of the community and returning the favor back to the community, which helps make Farmington a better place to live. Volunteers and visitors are able to participate in the many recreational and social activities within FHS which helps maintain our residents and tenants integrated in community activities.

Our Mission: Expressing Christ’s love by providing care that values every human life.

St. Francis Health Services owns and operates Farmington Health Services, which does business as Trinity Care Center, and is sponsored by the Catholic Diocese of St. Cloud. We are dedicated in promoting the Ethical and Religious Directive for Catholic Health Care services.

Core Values:	
Integrity	We faithfully adhere to high principles and professional standards.
Commitment	We dedicate ourselves to those we serve.
Respect	We value and treat each individual with compassion and dignity.
Excellence	We have the passion to do our best.
Service	We deliver what has not been done, before it is expected.
Stewardship	We wisely employ the talents, resources, and relationships entrusted to us.

## Providing Access to Educational Opportunities

Within the last year, TCC awarded over \$14,000 in scholarships to employees to further their education at local colleges. Scholarships have been given for those obtaining Licensed Practical Nursing, Registered Nursing degrees, certified nursing assistants, trained medication aides and Nursing Home Administrator classes. Scholarships can be used to pay the cost of tuition and books for our employees. Individuals who acquire their CNA certificates are eligible for full reimbursement including tuition and cost of books.

Trinity Care Center encourages employees and others community youth to consider careers in aging services. TCC also assists the local colleges with on-site training programs. This is hands-on training with the residents we serve.

Employees of TCC have the opportunity to attend multi-session leadership training that is sponsored by the parent corporation, St. Francis Health Services of Morris, MN. The World Class Leadership program facilitates this education and the training is offered on a yearly basis.

TCC works with the Farmington School District to provide opportunities for students to experience long term care. For many youth, this is their first opportunity to experience life in a long term care community. This positive experience often changes their attitudes toward “old people”.

## Helping Community Members in Need

Trinity Care Center has a solid foundation in Farmington that supports its community. Trinity is viewed as one of the cornerstones of Farmington, where people are welcomed in to volunteer, work and reside.

Trinity Care Center encourages integration of services between our care center and the community at large. Students with disabilities are welcomed into our home to allow them the opportunity to become comfortable around seniors and to have fun, meaningful experiences. This permits our residents and staff to develop an understanding and of the difficulties these young people have in normal activities of daily living, and grows compassion and empathy in our residents and staff.

## Serving as Active Community Members

TCC employees are active members of their community, participating in area churches, school events and fraternal and social groups. In the past year, TCC has sponsored various events through the Chamber of Commerce, Senior Center, the City of Farmington, Rotary, Elderly Resource Association and much more.

## Volunteerism

Each and every year, countless volunteers donate endless hours to our residents here at Trinity.
