

# BROWNS VALLEY HEALTH CENTER

## Browns Valley Health Center, Inc. SOCIAL ACCOUNTABILITY STATEMENT-2025

Browns Valley is a small, rural community located on the cusp of Western Minnesota. The city is home to approximately 550 residents and 42 businesses. Browns Valley Health Center is located in Browns Valley, Minnesota and is in close proximity to the communities of Sisseton, Beardsley, Graceville and Wheaton. The facility provides medical, social, and spiritual care to its residents without regard to race, color, creed, or national origin, in furtherance of the organization's exempt status

### *Our Mission:*

*Expressing Christ's love by providing care that values every human life.*

St. Francis Health Services owns and operates the Facility and is sponsored by the Catholic Diocese of St. Cloud. We are dedicated to promoting the Ethical and Religious Directive for Catholic Health Care services. These directives assist our care center in making decisions to provide the best care possible to each and every individual. We also live by the following core values and celebrate our employees for doing the same.

### *Core Values:*

<i>Integrity</i>	We faithfully adhere to high principles and professional standards.
<i>Commitment</i>	We dedicate ourselves to those we serve.
<i>Respect</i>	We value and treat each individual with compassion and dignity.
<i>Excellence</i>	We have the passion to do our best.
<i>Service</i>	We deliver what has not been done before it is expected.
<i>Stewardship</i>	We wisely employ the talents, resources, and relationships entrusted to us.

Our facility believes in a resident centered, hospitality care model. We strive to enhance each individual's life with professional and caring services, and to help each resident achieve his or her highest potential. We have programs that offer our residents increased flexibility in how their day is structured and how/when they receive care and services.

At Browns Valley Health Center we strive to make the city of Browns Valley a better place to live. Through our relationship with the community, we encourage participation in the lives of our residents through volunteering, partaking in social events and an active connection with those in our surrounding area.

## Providing Quality Care and Services for Older Adults

BVHC routinely cares for 31 individuals, at one time, who are in need of many different services ranging from ADL-Total Care, Dementia Care, Wound Treatment, Ostomy Care, IV Therapy, Post-surgical Care, Short / Long- and Short-Term Rehab with PT-OT-Speech Therapists and Restorative Nursing Therapy. All our beds are considered Skilled/Medicare Certified. During the current reporting year, the organization had approx. 10,162 patient days and provided services to more than 50 patients.

Many individuals use our services for rehabilitation from surgery and/or acute conditions. Those individuals often stay with us for just one to three months.

## Providing Access to Educational Opportunities

Education is a high priority in health care and for BVHC. Providing opportunities to further education and learn new information and skills is essential to providing quality, comprehensive, and holistic resident care.

Each year Browns Valley Health Center budgets to offer staff scholarships to further their education at local colleges by paying the cost of tuition and books. Scholarships are granted for those obtaining Nursing Assistant Certification (C.N.A) Trained Medication Administration (TMA) certifications, Licensed Practical Nursing (LPN) and Registered Nursing (RN) degrees, and Dietary Manager Certification.

For the 2023-2024 cost report year (10/1/2024-09/30/2025) BVHC awarded over \$7,070 towards:

- i. NAR Certification
- ii. LPN Program

BVHC offers staff members a variety of training opportunities each year. Some of the topics covered in these training sessions include:

- Infection Control Practices/COVID
- Emergency/Disaster Planning/OSHA
- Abuse and Neglect Prevention
- Proper Lifting Procedures / Ergonomics
- Fire Safety
- Safe Care for Seniors
- Dementia Training
- Trauma Informed Care
- Corporate Compliance / Code of Ethics

Browns Valley Health Center has assisted the local community colleges with on-site training programs and been able to provide LPN students on site training with the residents. Every employee at Browns Valley Health Center participates in Performance Improvement Projects (PIPs) as part of our commitment to continuous quality improvement. Every employee received valuable information as well as providing vital feedback for their chosen PIP. Employees of Browns Valley Health Center have the opportunity to attend multi-session leadership training that is sponsored by the parent corporation, St. Francis Health Services of Morris, MN. The World Class Leadership program facilitates this education.

## SFHS PIPP Grants

### **PIPP Grant for years 2025-2026 Advance Technology and Robotics**

At St. Francis Health Services, we recognize that our challenges with high staff turnover and variable resident health outcomes stem from the dual pressures of extensive routine responsibilities and insufficient time for direct care. These challenges not only impact on our ability to retain staff but also our ability to provide high-quality, personalized care for our residents.

To address these systemic issues, we are taking an integrated approach using advanced technologies that will enhance operational efficiency and improve the quality of both staff work and resident care which will include: Immersive Experiences using tabletop and floor technology equipment, Pepper the Activity Humanoid Robot, Live Virtual Tours, Virtual Reality, Services Robots, Floor Cleaning Robots, Resident Care vital sign machines, and AI programs for MDS, dietary and environmental services.

By implementing these technological solutions, St. Francis Health Services' care centers aim to streamline operations and significantly enhance resident engagement, ultimately allowing our staff to focus more on personalized resident care. This strategic shift not only aims to reduce staff turnover by alleviating work-related stress and dissatisfaction but also enhances resident satisfaction and health outcomes by addressing critical aspects of their care needs more effectively.

During the 2025 year, all 14 St. Francis Health Services (SFHS) care centers implemented innovative tools and technologies across multiple departments to enhance operational efficiency, staff support, and resident engagement.

#### **Activities Department**

- **15 Mobii Units** implemented across care centers. Mobii is an interactive projection system that transforms floors, tables, and other surfaces into engaging learning and gaming environments designed for seniors.
- **14 CILC (Center for Interactive Learning and Collaboration) programs** introduced to provide lifelong learning opportunities through live, virtual engagement.
- **5 Rendevar VR headsets** deployed to offer immersive experiences that reduce social isolation and enhance group engagement.
- **5 Pepper Humanoid Robots** added to support activities by leading Bingo and exercise programs, as well as providing one-on-one resident interaction.

## Nursing Department

- **20+ DS Smart Vital Signs Machines** deployed across the 14 care centers. These devices integrate directly with the existing EHR system, resulting in:
  - **1,097 staff hours saved**
  - **42,404 reductions in manual vital sign recording errors**
  - **235,579 error-free vital signs collected**
- **ChartPic Wound Care technology** implemented across all care centers to improve wound visibility, ensure accurate measurements, and better track wound progression.
- **Bidets installed** to promote resident independence with personal hygiene, assist staff during toileting care, and reduce the risk of urinary tract infections (UTIs).

## Dietary Department

- **Dining RD Plateful** implemented in all 14 care centers to support menu planning, diet management, and nutritional accuracy.
- **Tablesides Dining technology** introduced in 2 care centers, allowing residents to place meal orders in advance or in real time. This system:
  - Displays daily menu options and alternatives
  - Monitors special dietary restrictions
  - Improves meal count accuracy
  - Reduces food waste
- **20 BellaBots** deployed across 14 care centers to assist with meal delivery, supply and mail transport, activity notifications, and visitor escorting.

## Environmental Services

- **18 autonomous floor-cleaning robots** implemented across 14 care centers to support daily floor care, allowing housekeeping and maintenance staff to focus more on resident room cleanliness.
- **Maintenance Care Application** rolled out to all care centers to provide real-time work order notifications, support timely emergency maintenance responses, and schedule preventive maintenance to ensure continued resident safety.

## Helping Community Members in Need

Facility offers services such as,

- Meeting space for local organizations
- Funeral Services
- Church Services
- Loan personal health care equipment for short term needs
- Safety and Home Evaluations
- Provide Community Senior Meals
- Monthly Community Blood Pressures

## Serving as Active Community Members

The facility is affiliated with the following organizations:

- Leading Age of MN
- SWAP
- Senior Linkage

- DMA
- ANCC
- MNDONA
- MHCA

Community groups that BVHC is active in volunteering with are the American Legion, American Legion Auxiliary, Senior Citizens, BV School, BV Education Foundation and Lions Club.

## Volunteerism

BVHC has numerous volunteers from Browns Valley and the surrounding communities that donate their talents and time to the residents. Volunteers assist the facility with inside / outside activities, special celebrations, van rides, and one-to-one visits with the residents.

## Promoting Economic Development

Many local businesses are supported by BVHC. They include:

- City of Browns Valley
- Hardware Hank
- Valley News
- Valley Family Foods
- Serocki Excavating
- Border States Cooperative
- Haukos Electric
- Goodhart's Shop
- BV Community Elevator
- #2 Welding
- Cenex C Store
- BV School District

The facility employs an average of 62 employees. During the year 2025 the organization employed approximately 40 full-time employees. Because these people come to work at Browns Valley, they also spend monies in the community, whether they reside in the city or not.

Each year BVHC pays approximately \$2,200,000 in wages and \$380,000.00 in health care and H.S.A. benefits to our staff and \$80,000 in pension benefits. This was all provided in an area where medical and employment opportunities are very limited.
