

## *Social Accountability Statement 2025*

Guardian Angels is located in Northern Minnesota in the community of Hibbing, a town of 15,940 people. Known for its Iron mining history, Hibbing is the home of the Greyhound bus industry and Bob Dylan. There are numerous winter and summertime recreation activities available in Hibbing, such as hiking, golfing and fishing in the old mine pits, or “pit lakes.”

### *Our Mission:*

*Expressing Christ's love by providing care that values every human life.*

St. Francis Health Services controls and operates Guardian Angels Health and Rehabilitation Center and is sponsored by the Catholic Diocese of St. Cloud. We are dedicated to promoting the Ethical and Religious Directive for Catholic Health Care services. These directives assist our care center in making decisions to provide the best care possible to each and every individual. We also live by the following core values and celebrate our employees for doing the same.

### *Core Values:*

<i>Integrity:</i>	We faithfully adhere to high principles and professional standards.
<i>Commitment:</i>	We dedicate ourselves to those we serve.
<i>Respect:</i>	We value and treat each individual with compassion and dignity.
<i>Excellence:</i>	We have the passion to do our best.
<i>Service:</i>	We deliver what has not been done, before it is expected.
<i>Stewardship:</i>	We wisely employ the talents, resources, and relationships entrusted to us.

Guardian Angels believes in a resident centered, hospitality care model. Our focus and commitment is to continue to serve the health care demands and lifestyles of today's older adults with compassion and excellence.

### Providing Quality Care and Services for Older Adults

Guardian Angels Health and Rehabilitation Center cares for 75 individuals, with about 90% from the Hibbing and surrounding areas. In a given year, over 110 individuals will be admitted to use our services. Many individuals use our services for recuperation from surgery and/or short-term rehab. Often, those individuals stay with us for one to three months.

Informal groups can be conducted through Activity Centers on each unit. Music and television with DVD players are used daily. Guardian Angels maintains social areas for visiting, reading and just relaxing. There are also monthly events including resident birthday parties and holiday events. An example of this commitment to excellence is the implementation of "Nursing Facility Performance-Based Incentive Payment Program" (PIPP) 2022 grant awarded by the MN Department of Human Services (DHS) entitled: "Falls Prevention".

An older adult is treated in the emergency room every 11 seconds and an older adult dies every 19 minutes as a result of falls (Karon, Ryther, & Robinson, 2015). Falls are the leading cause of fatal and non-fatal injuries among older adults over the age of 65 (Karon, Ryther, & Robinson, 2015). With these statistics it is important for care centers to address falls with the intent to decrease falls, potential for injuries, and increase the individual receiving services' quality of life.

### Recognizing Spiritual Needs and Individuality

Guardian Angels is a spiritual care community. Spiritual care is an integral part of holistic resident care. Guardian Angels has an active Spiritual Care Committee with a Spiritual Care Director on staff to insure that we fulfill our Catholic and spiritual mission. With our sponsorship, we agree to uphold the Ethical and Religious Directives for Catholic Health Care. Worship and bible study are

provided. Services for all denominations are held in our newly constructed chapel named “All Saints Chapel”. Upon admission, each resident is assessed for his or her spiritual history and needs. In keeping with this, Guardian Angels has participation from all of the area churches. Our churches and staff offer multiple spiritual activities for our residents including:

- Remembrance Services
- Weekly Communion
- Weekly Worship Services
- Gideon Bibles
- Deacon visits
